# 2017 Fall Counselor Workshop Agenda

- 7:30     **Workshop Check-in and College Fair**  
Representatives from many Washington public and private colleges and universities will be on hand to answer questions and distribute informational items
- 8:00     **Washington Council Welcome & Host Site Welcome**  
An overview of the Workshop agenda and information about the Washington Council and the benefits of membership
- 8:20     **State Board for Community and Technical Colleges**
- 8:40     **Washington Student Achievement Council**
- 9:10     **Office of Superintendent of Public Instruction**
- 9:40     **Break**
- 9: 50    **Council of Presidents**
- 10:05    **Updates from 4 year Institutions & Colleges**  
Individual updates from public, private, and independent colleges
- 11:15    **Community and Technical College Updates**
- 11:45    **Working Lunch and College Fair**  
\*Slideshow of new campus developments
- 12:45    **Hot Topics in Higher Education**  
Q&A with all institutions and agencies
- 2:00     **Closing and Clock Hour Distribution**

---

## Fall 2017 Counselor Workshop Schedule

September 11 – Western Washington University	September 18 – Eastern Washington University
September 12 – Clover Park Technical College	September 19 – Columbia Basin College
September 13 – Seattle Pacific University	September 20 – WSU Vancouver
September 14 – University of Washington - Bothell	September 21 – St Martin’s University
September 15 – Wenatchee Valley College

## About the Washington Council and the Fall Counselor Workshop Higher Education Book

The Washington Council for High School-College Relations is a not-for-profit organization that provides information and programs to encourage and assist Washington students in their transition from high schools to colleges, and from two-year colleges to four-year colleges. To this end, the Washington Council produces this book and sponsors the following Programs:

### Washington Council Programs for Students

- Eighth Grade College Exploration Day
- High School College Planning Day
- Fall Transfer Fairs

### Washington Council Workshops and Resources for Advisers

- Fall High School Counselor Workshops
- Transfer Adviser Workshops
- Washington Council Web Resources, Calendar, and Listserv ([washingtoncouncil.org](http://washingtoncouncil.org))

The Washington Council member organizations include Washington high schools, Washington colleges and universities, and higher education agencies. Washington Council publications and programs are run and governed by a Board of Directors that is representative of its membership.

### 2017-18 Washington Council Board of Directors

Danise Ackelson, Superintendent of Public Instruction  
Bobbie Barnes, White Pass Junior High School  
Gail Bruce, Skagit Valley College  
Jami Buselmeier, Life Christian Academy  
Laura Conklin, Washington School Counselors Association  
Carlos Delgadillo, Walla Walla Community College  
Linda Drake, State Board of Education  
Ruben Flores, State Board for Community & Technical Colleges  
Lucretia Folks, Washington Council Executive Secretary  
Valerie Frey, Pierce College  
Stephanie Gardner, Washington Student Achievement Council  
Julie Garver, Council of Presidents  
Dixie Grunenfelder, Superintendent of Public Instruction  
Kim Hiatt, Washington State University Vancouver  
Matt Isher, Washington Association of Secondary School Principals

Jana Jaraysi, Eastern Washington University  
Clarisse Leong, The Evergreen State College  
Anna Molenda, South Puget Sound College  
Susan Mosby, Discover Alternative High School  
Amanda Paulson, Summer School District  
Wendy Jo Peterson, Washington State University  
Mitzi Sanders, Sequim High School  
Jess Savage, Western Washington University  
Karl Smith, University of Washington Tacoma  
Ineliz Soto-Fuller, Seattle Pacific University  
Brian Spraggins, Lewis & Clark High School  
Arian Stafford, Everett Community College  
Ann White, Pierce College  
Carlos Williams, University of Washington  
Donna Zukowski, Eastmont High School

### The 2017-18 Fall Counselor Workshop Higher Education Book: A Resource for High School Counselors is a collection of post-secondary opportunities in the State of Washington.

The Washington Council Board has been responsible for collecting the entries and overseeing preparation of the book. The participating institutions are responsible for information on their institutions. Readers are cautioned that they must consult the admissions offices at individual colleges to be sure of having the most current information.

All institutions listed in the Fall Counselor Workshop Higher Education Book subscribe to the principles and laws of the State of Washington and the federal government, including applicable executive orders pertaining to civil rights. These institutions are committed to the policy that all persons shall have equal access to programs and facilities without regard to age, color, creed, marital status, nation or ethnic origin, physical handicap, race, religion or sex. All statements and content included in the Fall Counselor Workshop Higher Education Book are made by the individual colleges and universities and organizations that are represented in this book. The information contained in the Fall Counselor Workshop Higher Education Book is subject to change, and the editors and individual institutions will not be responsible for change or error.

**The Office of Superintendent of Public Instruction (OSPI)** is the primary agency charged with overseeing K-12 public education in Washington state. Led by State School Superintendent Chris Reykdal, OSPI works with the state's 295 school districts to administer basic education programs and implement education reform on behalf of more than one million public school students. OSPI is housed in the Old Capitol Building in Olympia.

### **Vision**

Every student ready for career, college, and life.

### **Mission**

To provide funding, resources, tools, data and technical assistance that enable educators to ensure students succeed in our public schools, are prepared to access post-secondary training and education, and are equipped to thrive in their careers and lives.

### **Performance Indicators**

From the vision and mission are OSPI's performance indicators. These measures of success serve to guide our work across the K-12 public education system. Superintendents, principals, counselors, and other educators across our state are using evidence-based practices and "closing the gap interventions" in their work each day. Data analytics, data charts, and helpful resources for Kindergarten Preparedness to Graduation Rates to Postsecondary Enrollment make up the equity analytics for K-12 and higher education systems to utilize.

College enrollment data for 4-year colleges and 2-year colleges is disaggregated first by all college going nationally and then by WA State Public institutions. The data is also shown by 4-year and 2-year colleges both separately. In addition, further disaggregation is by 2-year colleges in Academic Transfer Programs and in Workforce Programs.

## **HIGH SCHOOL & BEYOND PLAN**

The High School & Beyond Plan, a graduation requirement, helps students get the most out of high school and think about their future. Students work with school counselors and advisors to create their own individual plan, the “personalized pathway”, throughout high school and revise their plan annually to accommodate changing interests or postsecondary goals on what they expect to do the year following graduation from high school. The postsecondary aspirations may include pathways for application to four-year colleges or universities, two-year community or technical colleges, apprenticeship programs, industry standard certificate programs, military training, or on the job training. The High School & Beyond Plan revolves around three questions: Who am I?, What can I become?, and How do I become that?

### **A High School & Beyond Plan includes:**

- an identification of career goals, aided by a skills and interest assessment;
- an identification of educational goals;
- a four-year plan for course-taking that fulfills state and local graduation requirements and aligns with the student's career and educational goals;
- and by the end of twelfth grade, a current resume or activity log that provides a written compilation any activities/athletics, leadership opportunities, work experience, or community service that can be used for writing personal statements, application essays, or scholarship applications.

The High School & Beyond Plan is used to guide the student's high school experience and prepare him or her for postsecondary education or training and career. The plan is initiated for each student during the seventh or eighth grade and is updated each year to reflect high school assessments, review of transcripts, and assess progress toward identified goals. In many cases the plan is revised as necessary for changing interests, goals, and needs, and identify available interventions and academic support, courses, or both, that enable students who have not met the high school graduation standard to do so.

### **The Personalized Pathway Requirement answers these questions:**

- How does my career interest connect with the courses I am taking or plan to take?
- How do the courses I am taking or plan to take connect with my career pathway or college major?
- What are the steps I need to take to reach my postsecondary plan successfully?
- Who will I work with about my Personalized Pathway Requirement, that is based on my High School & Beyond Plan?
- What is my timeline for making a decision about my Personalized Pathway?
- What if I change my mind along the way? Who will I talk with about revising my Personalized Pathway and HS?

# Community and Technical Colleges of Washington

Washington State Board for Community and Technical Colleges  
1300 Quince Street  
PO Box 42495  
Olympia, WA 98504-2495  
(360) 704-4400

[www.SBCTC.edu](http://www.SBCTC.edu)

## Student Profile

Total Enrollment: 380,918  
Faculty/Student Ratio: 1:21

## Program Intent

College/University transfer: 39%  
Professional-technical: 47%

## Top Associate Degrees Awarded 2015-16

- Associate in Arts (DTA)
- Associate in Business (DTA)
- Registered Nursing
- Associate in Science (DTA)

## Top Transfer Destinations

Each year, about 20,000 students transfer from a Washington community or technical college to a public or private baccalaureate institution.

To help make transferring simple for students, community and technical colleges hold direct transfer agreements with:

- Bastyr University
- Central Washington University
- City University of Seattle
- Cornish College of the Arts
- Eastern Washington University
- The Evergreen State College
- Gonzaga University
- Heritage University
- Northwest University
- Pacific Lutheran University
- Portland State University
- Seattle Pacific University
- Seattle University

- St. Martin's University
- University of Washington (all campuses)
- Washington State University (all campuses)
- Western Governors University
- Whitworth University

## Resources for Counselors

### CheckOutACollege.org/GetMore website

Find college and degree options, career and wage data, ideas for paying for college, search by program and location, multiple languages, links to two-year and four-year colleges, Fall Counselor Workshop PowerPoint, and publications.

### Check Out a College posters

For posters for your counseling, career centers, classrooms or postcards for college fairs, parent nights, and resource rooms, call 360-704-4367.

### Check Out a College brochures

Get brochures from your nearest community or technical college, or order larger quantities at a reasonable price.

**FREE:** Ask your local college for Check Out a College brochures.

See the Washington community and technical outreach staff roster at [www.CheckOutaCollege.org/GetMore](http://www.CheckOutaCollege.org/GetMore) for college brochure contacts.

**LOW COST:** Order online from the Washington State Department of Printing website:

- Go to [myprint.wa.gov](http://myprint.wa.gov)
- In the "Search" field at lower left, type "Check Out a College"
- Order based on instructions

## Dual Credit Options

### Running Start

Running Start allows 11th and 12th grade students to take college courses at Washington's 34 community and technical colleges. Students earn both high school and college credits for these courses. Running Start students and their families do not pay tuition for up to 15 college credits, based on combined college and HS FTE of up to 1.2 FTE. Students do pay mandatory fees, buy their own books, and provide their own transportation.

Students interested in Running Start may get more information from their high school counseling office or from the Running Start coordinator at their local college. Many colleges offer orientation sessions to help students and families learn more about the program. The entire catalog of courses is available to Running Start students. This includes electives, vocational, online, and advanced course work.

More at [www.SBCTC.edu](http://www.SBCTC.edu)

### Professional-Technical Program Matrix

The SBCTC Workforce Education professional technical program matrix in this handbook is subject to change. Programs are listed by general categories and may not reflect actual program names. For example, aerospace-related programs may be listed under engineering, industrial manufacturing, and transportation.

**See Professional-Technical Programs matrix.**

### Eligible Training Provider (ETP) list

Visit the Career Bridge website at [www.careerbridge.wa.gov](http://www.careerbridge.wa.gov) for the ETP list.

### Centers of Excellence

Centers of Excellence focus on industries that drive the state's economy and workforce, building innovative workforce education programs. The 10 centers connect and partner with industry, economic development and community-based organizations, secondary education, and four-year colleges and universities through training, career presentations, and events.

- Aerospace & Advanced Manufacturing
- Agriculture
- Allied Health
- Careers in Education
- Construction
- Clean Energy
- Homeland Security
- Information and Computing Technology
- Global Trade & Supply Chain Management
- Marine Manufacturing and Technology

More at [www.SBCTC.edu](http://www.SBCTC.edu)

### Applied Baccalaureate Degrees

An applied baccalaureate (bachelor's) degree builds on the education and training from a two-year technical associate degree, allowing graduates of professional-technical programs to move up the educational and professional ladder without starting over.

### Degree Options

Currently, community and technical colleges offer 74 applied bachelor's degrees at 28 colleges:

- Bellevue College
- Bellingham Technical College
- Cascadia College
- Centralia College
- Clark College
- Clover Park Technical College
- Columbia Basin College
- Grays Harbor College
- Green River College
- Highline College
- Lake Washington Institute of Technology
- North Seattle College
- Olympic College
- Peninsula College
- Pierce College
- Renton Technical College
- Seattle Central College
- Skagit Valley College
- South Seattle College
- Spokane Falls Community College
- Wenatchee Valley College
- Yakima Valley College

For a complete list of bachelor's degrees offered at community and technical colleges, visit [www.SBCTC.edu](http://www.SBCTC.edu).

### Applied Baccalaureate Tuition

Tuition rates are roughly double the cost of regular community and technical college credits.

**See community and technical college tuition chart.**

### University and College Transfer

More and more students get started on a bachelor's degree with an associate transfer degree. Students get a high quality undergraduate experience and save money by starting at a community or technical college and transferring to a Washington four-year college, branch campus, university center, or applied baccalaureate program.

#### Associate transfer degrees

Several options are available, so students should work closely with an advisor to choose the right degree and classes for their educational and career goals. Students should contact the four-year college or university of their choice to fully understand and meet degree requirements before transferring.

**See Transfer Degree Inventory chart.**

#### University Centers and Transfer Partnerships

Students can earn an associate transfer degree at a community or technical college and then stay on campus to complete a bachelor's degree from one of our many four-year college or university partners. Options are subject to change.

**See University Centers and Transfer Partnerships chart.**

### High School Diploma Options

Community and technical colleges offer three ways to earn a high school diploma.

1. Attend Running Start, earn an associate degree, request HS diploma from the college
2. Age 21 years or older, earn an associate degree, request HS diploma from the college (may require financial aid)
3. Earn a HS diploma from the college through the high school completion program (may require financial aid)

#### I-BEST

Washington's nationally renowned Integrated Basic Education and Skills Training program (I-BEST)

uses a team-teaching approach to combine adult education classes with regular, credit-bearing academic or job training classes so students get through school and into jobs faster.

#### Project I-DEA

With I-DEA, English language learners who face the largest language gaps are learning English quickly and in practical ways.

Like I-BEST, this project uses an integrated, team-teaching approach so students learn English in tandem with job skills and life skills. Classes are "flipped": Students learn basic words and ideas online and cement their knowledge in class with the aid of instructors and peers. Computers and 24-hour internet access allow students to learn topics that matter most to them, anytime, anywhere.

#### Competency-based education

Many adult education courses are competency-based; students move through adult education into pre-college (remedial) or college-level courses based on knowledge gained rather than time spent in a classroom. Students move as quickly through courses as their competencies take them.

#### High School Equivalency (HSE)

Many people who did not finish high school have the same knowledge and skills as those who did graduate. By taking and passing a series of HSE tests, adults can demonstrate they have acquired the same level of knowledge. Washington state uses the four-part GED® tests for its HSE test.

Most colleges and employers accept an HSE credential as being equivalent to a high school diploma. SBCTC oversees the HSE testing program for the state of Washington. Those who meet the eligibility requirements may take the HSE tests at official test centers located throughout the state. You can find a local test center through the GED® Testing Service.

#### High School 21+

High School 21+ is a competency-based high school diploma offered at Washington's community and technical colleges for adults who are at least 21 years old. Advisors look at transcripts and knowledge gained from life experience, and work with students to craft an educational plan to fill gaps. To receive a diploma, students must demonstrate competency in reading, writing, and math in the context of science, history, government, occupational studies, and digital literacy.

For general questions, contact Lou Sager at [lsager@sbctc.edu](mailto:lsager@sbctc.edu)

## Sports and Recreation

Community colleges provide a variety of enrichment activities and programs, including intercollegiate athletics. Sports include basketball, baseball, cross country, golf, softball, soccer, tennis, track and field, volleyball and wrestling. Recognizing the time commitment of student-athletes, colleges may fund tuition Grants-in-Aid through scholarships of up to 40 percent of tuition costs. Visit the Northwest Athletic Conference website at [www.nwacsports.org](http://www.nwacsports.org) for details.

## Disability Student Services

Campus disability support service offices ensure equal access to educational programs and services by providing consultation on accommodations (placement testing, classroom, assistive technology, and more) for students with disabilities who are otherwise qualified for college.

The rights of students with disabilities are different in college from what they were in high school. It is important for high school students and their parents to plan appropriately for their students' transitions to post-secondary institutions. Compared to services at public schools, the services provided by post-secondary institutions may seem minimal.

To be eligible for disability-related services, students must have a disability as defined by the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. Under the ADA and Section 504, a person has a disability if he or she has a physical or mental impairment that substantially limits one or more of the major life activities (walking, standing, seeing, speaking, hearing, sitting, breathing, and taking care of oneself).

Colleges and universities are not required to provide special educational services, therapies or curriculum modifications that fundamentally alter the nature of the program or class. However, colleges and universities routinely offer some services to all students that may be beneficial to some students with disabilities, including tutoring, personal counseling, writing coaching, health and

wellness programs, study skills, and time management training.

## Financial Aid

Community and technical colleges award federal, state, college-based grants, and work-study based on the Free Application for Federal Student Aid (FAFSA).

### **The community and technical college system adopted a uniform priority financial aid deadline of March 15.**

Colleges widely recommend students planning to attend fall quarter 2017 adhere to the timeline set for College Bound students (February 1).

Those planning to attend winter or spring 2019 should also apply for aid by the March 15, 2018 priority deadline.

**See Admissions and Financial Aid chart.**

## Scholarships

A variety of scholarships may be available from each college based on financial need, program of study or major, academic merit, leadership or community service. Many colleges offer scholarships through their foundations or list scholarships at their websites.

**Most deadlines for fall 2018 scholarships** for graduating high school seniors offered by community and technical college foundations will be in February, March, and April 2018.

## Tuition Waivers

Certain populations are eligible for full or partial reduction of tuition. Tuition waivers vary by campus, so check with college registration offices.

Some examples: Oregon border county residents, military veterans, senior citizens, higher education employees, active duty military/Washington National Guard, children of deceased or disabled law enforcement officers and firefighters, families of fallen soldiers and families of disabled veterans.

## About the Washington Student Achievement Council

The Washington Student Achievement Council (WSAC) is a nine-member council supported by a cabinet-level state agency. The council's mission is to advance educational opportunities and attainment in Washington. In pursuit of that mission, the council:

- Leads statewide strategic planning to improve educational coordination and transitions.
- Supports Washingtonians through the administration of financial aid, a college savings plan, and support services.
- Advocates for the economic, social, and civic benefits of postsecondary education.

## Access and Support Programs

### *Ready Set Grad*

[readyssetgrad.org](http://readyssetgrad.org)

Ready Set Grad is your resource to find, pay for, and complete the education path that's right for you or the student in your life. The goal of Ready Set Grad is to ensure every student in Washington has access to the tools, information, and support they need to graduate high school and make college accessible and affordable. The Washington Application for State Financial Aid (WASFA) is also housed on [readyssetgrad.org/wasfa](http://readyssetgrad.org/wasfa). This application provides an opportunity for students ineligible for federal financial aid due to immigration status but who may be eligible to apply for some state financial aid programs.

### *GEAR UP*

[gearup.wa.gov](http://gearup.wa.gov)

GEAR UP (Gaining Early Awareness and Readiness for Undergraduate Programs) is a federally funded competitive grant program. There are eight GEAR UP programs in Washington State serving over 37,000 students in 72 school districts. The Student Achievement Council administers the state grant.

### *12<sup>th</sup> Year Campaign*

[readyssetgrad.org/12<sup>th</sup>-year](http://readyssetgrad.org/12<sup>th</sup>-year)

The 12th Year Campaign aims to boost college and financial aid application (FAFSA and WASFA) rates in Washington through the College Application Campaign and College Goal Washington programs, as well as the FAFSA Completion Initiative, created to provide districts and schools student-specific FAFSA completion data.

## College Savings Programs

### *GET*

[get.wa.gov](http://get.wa.gov)

The Guaranteed Education Tuition (GET) program offers Washington citizens a secure way to plan and save for college. Savings in a GET account grow tax-free and remain tax-free when used for qualified expenses. The Washington Student Achievement Council administers GET. A five-member GET Committee provides oversight and sets program policies, with support from the State Actuary and the State Investment Board. Currently, WSAC is also working to expand college savings options for Washington families by adding a 529 college savings plan beginning in early 2018.

## Scholarship Search

### *theWashBoard*

[thewashboard.org](http://thewashboard.org)

TheWashBoard.org is committed to increasing access to scholarships and financial aid for Washington students. Launched in 2010, theWashBoard.org, a free, scholarship matching website for Washington students, is a simple and central scholarship search and application resource.

## Need-based financial aid programs

### *College Bound Scholarship*

[collegebound.wa.gov](http://collegebound.wa.gov)

The College Bound Scholarship is an early commitment of state financial aid to eligible students who sign up in middle school. The program encourages students who might not consider college because of the cost to dream big and continue their education beyond high school.

### *State Need Grant*

[readyssetgrad.org/sng](http://readyssetgrad.org/sng)

The State Need Grant program provides need-based financial aid to income-eligible students pursuing postsecondary education. Eligible students have a household income that is less than 70 percent of the state's median family income. Grant recipients can use the financial aid at Washington's eligible institutions, including public two- and four-year colleges and universities and many accredited private/independent colleges, universities, and career schools in the state.

### *State Work Study*

[readyssetgrad.org/college/state-work-study](http://readyssetgrad.org/college/state-work-study)

State Work Study is financial aid for low- and middle-income students. Qualifying students get an approved job, on- or off-campus, to support their education. Work study builds students' skills, increases their earnings, and reduces reliance on student loans. The state contributes to the wages of work study employees, so participating employers benefit from educated, motivated workers at a lower cost.

### *Passport for Foster Youth*

[readyssetgrad.org/passport](http://readyssetgrad.org/passport)

The Passport to College Promise Scholarship program helps students from foster care attend and succeed in college. Passport is a comprehensive program providing support to students from high school through higher education completion.

## **Merit-based financial aid programs**

### *American Indian Endowed Scholarship*

[wsac.wa.gov/american-indian-endowed-scholarship](http://wsac.wa.gov/american-indian-endowed-scholarship)

The American Indian Endowed Scholarship program provides educational scholarships on a competitive basis to high-achieving, low-income resident students who have close social and cultural ties to an American Indian tribe or community within the state. Recipients demonstrate academic merit and a commitment to serve the American Indian communities in Washington.

## **College-Readiness and Transfers**

### *Dual Credit*

[readyssetgrad.org/grad/college-credit-high-school](http://readyssetgrad.org/grad/college-credit-high-school)

Dual-credit programs allow student to earn high school and college credit simultaneously. Students can earn dual credit by completing college courses (e.g. Running Start, College in the High School, and Tech Prep) or by completing standardized exams (e.g. Advanced Placement, International Baccalaureate, and Cambridge International Program). Students who earn college credit are more likely to graduate high school, enroll in college, and complete college degrees. Helpful resources for counselors include the following:

- Handout comparing dual credit programs: [wsac.wa.gov/sites/default/files/Dual.Credit.pdf](http://wsac.wa.gov/sites/default/files/Dual.Credit.pdf)
- Dual credit look up tool (to gauge how test scores may be accepted as college credit: [readyssetgrad.org/rsg\\_cred\\_wiz/form](http://readyssetgrad.org/rsg_cred_wiz/form))

## *Transfers*

[wsac.wa.gov/transfers](http://wsac.wa.gov/transfers)

Washington's public community and technical colleges offer transfer associate degrees that make it easier for students to transfer to bachelor's degrees in Washington. These degrees transfer to all public and most private four-year colleges and universities.

These are the kinds of transfer associate degrees:

- Direct Transfer Agreement (DTA) Associate Degree: Meets most lower division general education requirements at four-year colleges and universities
- Associate of Science – Transfer (AS-T) Degree: For students who want to earn a bachelor's degree in engineering or science
- Major Related Programs (MRPs): DTA and AS-T plans that prepare students for bachelor's degrees in specific majors such as business, nursing, and computer science

Once admitted to a participating bachelor's degree program, students who complete these transfer degrees can generally expect 90 transferrable quarter credits and junior class standing.

## **College Admissions**

### *College Admissions*

[wsac.wa.gov/college-admissions](http://wsac.wa.gov/college-admissions)

Washington colleges have different admission policies, and some are more selective than others. Public community and technical colleges have an open-door policy. WSAC works with partners in K-12 and higher education to set minimum admission standards for the state's public baccalaureate schools. Helpful resources for counselors include the following:

- Detailed information about the College Academic Distribution Requirements:  
[wsac.wa.gov/sites/default/files/2015.CADRs.Appendix.pdf](http://wsac.wa.gov/sites/default/files/2015.CADRs.Appendix.pdf)

### *Comparison Table*

If you're graduating from high school in 2018, you'll need to meet the state's high school graduation requirements. If you want to be considered for admission at a four-year public college in Washington, you'll need to meet the credits required in the minimum college admission standards. And if you're interested in college athletics and athletic scholarships, you'll need to meet NCAA academic eligibility requirements: [ncaa.org/student-athletes/play-division-i-sports](http://ncaa.org/student-athletes/play-division-i-sports)

Subject	High School Graduation (state)	4-year Public Colleges	NCAA Division I Athletics
English Language Arts	4 credits	4 credits (Must include 3 credits of college preparatory coursework, including literature and composition. May include 1 credit of elective English)	4 credits
Mathematics/Quantitative	3 credits (Algebra 1, Geometry, Algebra 2 sequence or Integrated Math 1, Math 2, Math 3 sequence or a third credit of math)	3 credits (Algebra 1, Geometry, Algebra 2 sequence or Integrated Math 1, Math 2, Math 3 sequence. Must include Senior year math-based quantitative course (additional math, algebra-based science, or AP computer science course)	3 credits (Algebra 1 or higher)
Science	2 credits (At least one lab Note: Class of 2019 will need 3 credits of science)	2 credits (One algebra-based science course and one biology, chemistry, or physics)	2 credits (Natural or physical science. One year of lab, if offered)
Social Studies	3 credits (U.S. History and Government, Contemporary World History, Geography and Problems. Must include 0.5 credits civics and 0.5 credits social studies)	3 credits (History or any of the social sciences, such as: anthropology, contemporary world problems, economics, geography, government, political science, psychology, or sociology)	
Arts	1 credit (performing or visual arts)	1 credit (fine, visual, or performing arts. Additional coursework in these areas may substitute)	N/A

Subject	High School Graduation (state)	4-year Public Colleges	NCAA Division I Athletics
World Language	N/A	2 credits (two credits of the same world language)	N/A
Health and Fitness	2 credits (must include .5 credit of Health and 1.5 credits of fitness)	N/A	N/A
Occupational Education	1 credit (career and technical course)	N/A	N/A
Additional Courses	4 credits (electives)	N/A	4 credits (any subject above, foreign language, philosophy, or comparative religion)  1 credit (additional English, math, or natural /physical science course)

## Accreditation

Northwest Commission on Colleges and Universities

## Introduction

For more than 75 years, Bates Technical College has delivered quality career education with a focus on hands-on learning. Located in the shadows of Mount Rainier in the state's second-largest county, the college boasts three vibrant and unique campuses throughout Tacoma — including the award-winning Advanced Technology Center, which houses engineering, information technology and digital media programs. Bates offers a variety of exciting and satisfying programs that deliver practical and concentrated hands-on education, while also providing an affordable, accessible path toward successful employment.

## Programs

Students receive cutting-edge instruction in a variety of academic disciplines and professional areas. BC offers the following education categories:

- **6 transfer associate degrees** (the first two years of college). BC sends more graduates to four-year colleges and universities than any other college in Washington state.
- **104 professional-technical programs**, including 20 associate degree programs and 67 certificate career-preparation programs, in business, accounting, information technology, health sciences and other fields, including Digital Marketing AAS-T, Medical Billing and Coding and Medical Assistant certificates.
- **12 bachelor's degrees:** Bachelor of Science degrees in Computer Science and Nursing (RN-BSN), Bachelor of Applied Arts in Interior Design, and Bachelor of Applied Sciences degrees in Applied Accounting, Data Analytics, Digital Marketing, Health Promotion and Management, Healthcare Informatics, Healthcare Management and Leadership, Information Systems and Technology, Molecular Biosciences, and Radiation & Imaging Sciences.
- **Basic Education for Adults**, High School Equivalency, GED® preparation, English as a second language, and courses to improve reading, writing, grammar, and math skills.
- **Continuing Education provides programs** in high-quality, real-world corporate training, personal enrichment, non-credit comprehensive certificate programs, plus new and engaging courses for teens and retirees. BC offers the largest number of such programs in the state.
- **Workforce Development:** Bellevue College has 50 years of proven accomplishment as a leader in workforce development, offering affordable education for high-demand jobs. We provide services and financial support to help a wide range of people find jobs, including dislocated workers, veterans, single parents and low-income students.

## Campus Visits/Tours

## Admission Requirements and Criteria

For Students Entering Fall 2017 – We admit:

- Any applicant who has graduated from high school, or is 16 or 17 years old with a proof of a GED completion, or is 18 years of age or older.
- Currently enrolled high school students who successfully assess into college-level English. (These students are admitted quarter-by-quarter and are not considered “continuing students” unless they have been admitted through the Running Start Program.)
- Selected applicants who meet the qualifications for selective-admissions programs. Some programs have enrollment limits and cannot accept all qualified applicants. See more on selective admissions programs at [www.bellevuecollege.edu/enrollment/admissions/deadlines](http://www.bellevuecollege.edu/enrollment/admissions/deadlines). High school students may be eligible for one of BC’s high school programs.

### Deadlines & Fees:

Priority admission: May 1

**Fall Final Application Deadline:** September 10

### **Admission Information:**

## About the College

Bellingham Technical College, located in Whatcom County, offers high-quality education in a supportive, student-first environment. We prepare students for high-wage, high-demand careers. With more than 37 associate degrees and 51 certificates, students can choose programs in fields ranging from Accounting to Machining, Nursing to Process Technology and Culinary Arts to Fisheries & Aquaculture Sciences. BTC students can take advantage of many transfer opportunities, including more than seven Direct Transfer/Major-Related Program degrees, including:

- Business
- Computer Science
- Engineering Technology (multiple paths)
- Pre-Nursing
- Technology

BTC started offering its first Bachelor of Applied Science in Operations Management starting in Fall 2016. This mostly online, two-year degree can be added on top of an existing associate or bachelor's degree and will prepare students for upper

management positions in a variety of industries and businesses.

## Admission Requirements and Criteria

BTC welcomes applications from students who are at least 18 years of age or a high school graduate, or those who have applied for admission through special programs such as Running Start, College in the High School or IMPACT!(students who do not have a high school diploma or equivalent are not eligible for financial aid).

## Dual Credit Options

Learn more about all of BTC's dual credit options at [www.btc.edu/DualEnrollment](http://www.btc.edu/DualEnrollment)

## Running Start

Any high school junior or senior who places into or has completed English 101 (ENGL& 101) is eligible for Running Start, including public, private and home school students. Class standing is determined by the high school or district the student is enrolled in. Placement into ENGL& 101 can be done several different ways. Find out more online at [www.btc.edu/RunningStart](http://www.btc.edu/RunningStart)

## College in the High School

This program allows high school students an opportunity to earn BTC college credit while simultaneously earning their high school credit for approved advanced high school courses. [www.btc.edu/CollegeintheHighSchool](http://www.btc.edu/CollegeintheHighSchool)

## IMPACT! Youth Re-Engagement

IMPACT! is a free, flexible program that helps students who have dropped out, or have a severe risk of dropping out, create a path to academic and career success. Get free tuition at BTC as you work toward your GED and continue on for an associate degree or certificate. [www.btc.edu/Impact](http://www.btc.edu/Impact)

## Tech Prep

Tech Prep is a college preparatory program for high school students. High school and college instructors work together to choose Tech Prep courses that meet entry-level requirements for comparable college courses, so that students may be able to receive BTC credit while still in high school.

## Estimated Annual Expenses

Tuition and Fees	<u>\$4,500</u>
Room and Board	<u>\$9,780</u>
Books/Supplies	<u>\$1,080</u>
Total	<u>\$15,360</u>

## Financial Aid

Phone: 360-752-8351

Email: [finaid@btc.edu](mailto:finaid@btc.edu)

Website: [www.btc.edu/FinancialAid](http://www.btc.edu/FinancialAid)

School Code: 016227

## Priority Financial Aid Dates

BTC accepts FAFSAs on a rolling basis, but recommends that students begin the application process at least two months prior to the suggested deadline dates for best results:

Fall quarter	July 1
Winter quarter	November 1
Spring quarter	February 1
Summer quarter	May 1

## Housing

BTC is located in a residential area near the Birchwood and Columbia neighborhoods where apartment, condo or house rentals and purchase opportunities are plentiful.

## Campus Visits

Join us for campus tours, Running Start information sessions, program open houses, advising and registration sessions, and more.

Phone: 360-752-8345

Email: [admissions@btc.edu](mailto:admissions@btc.edu)

## Student Life

The Associated Students of Bellingham Technical College (ASBTC) hosts campus events, free movie nights and socials throughout the year, and students participate in clubs such as Phi Theta Kappa, Student Veterans of America, Engineering Club, Gender & Sexuality Alliance, and student chapters of professional organizations, such as the Student Nursing Organization and the American Welding Society. BTC boasts a student-run restaurant and campus cafeteria, and has created a welcoming and attractive campus environment, with a new Campus Center building and a variety of gathering and study spaces for students.

# Big Bend Community College

7662 Chanute Street NE  
Moses Lake. WA, 98837

Website: [www.bigbend.edu](http://www.bigbend.edu)

## **Student Profile**

Total Enrollment: 2,090 FTE  
Headcount: 3,990  
Male/Female ratio: 48/52 %  
Median Age: 22  
Students receiving need-based financial aid: 52%  
Students receiving any financial aid: 76%

## **Program Intent**

College/University Transfer: 45%  
Workforce Developmental: 29%  
Adult Basic Education: 23%  
Unclear: 2%

## **Admission Requirements & Criteria**

### **General Eligibility**

BBCC accepts all applicants who are 18 years of age or older. Those under 18 years of age who have graduated from an accredited high school, have an equivalent certificate, e.g., the General Education Development (GED) Test, or qualify as a Running Start student will be admitted. Applicants who are younger than 18 and who do not meet these requirements must provide BBCC with a written release from their school principal authorizing BBCC to admit them. All applicants must be 16 years of age or older unless they have graduated from high school or are part of a state approved program such as Running Start. Some programs have specific admission procedures and limited space; therefore, admission to BBCC does not guarantee admission into all programs. Students enrolling in a degree program must apply for college admission. BBCC will assign an advisor, evaluate transfer course work and maintain a student file for officially admitted students. Registration priority is given to

students who have been officially admitted to BBCC.

## **Sports and Recreation**

Students at Cascadia and UW Bothell share use of campus sports facilities and jointly participate in intramural sports.

The Activities and Recreation Center (ARC) at Cascadia College and UW Bothell is now open. The ARC offers a fitness center with showers and lockers, food trucks, office and work space for student leadership and student clubs, a game room, meeting spaces, multipurpose space to support event, and comfortable gathering spaces.

## **New Degrees & Programs**

The Cascadia College-Bastyr University Blended Enrollment Program provides the most direct route to an AA degree and seven different Bachelor's of Science degrees. This new program prepares graduates to take on successful careers in the region's growing health industry.

NEW! Homeland Security AAS-T is a mix of in-person and online courses designed to prepare the next generation of emergency management and policy leaders with the knowledge and skills they need to improve outcomes in disasters of all types.

# Centralia College

Centralia College  
600 Centralia College Blvd.  
Centralia, WA 98531  
360-736-9391

[www.centralia.edu](http://www.centralia.edu)

## Student Profile

Total Enrollment: 7,129 (headcount)  
Faculty/Student Ratio: 1:23

## Program Intent

College/University Transfer: 35%  
Professional-technical: 45%

## Admission Requirements and Criteria

### General Eligibility

Applying to Centralia College is easy. There's no application fee and applications are accepted throughout the year for most programs.

For general admission, students must be 18 years of age or older, and have a high school diploma or GED certificate. There are special admission requirements for students younger than 18.

For detailed information, visit [www.centralia.edu/admissions/index.html](http://www.centralia.edu/admissions/index.html).

Centralia College also offers classes for adults seeking a GED or Adult High School Diploma, or those needing to learn the English language.

For more information, visit [www.centralia.edu/academics/basic](http://www.centralia.edu/academics/basic).

### Deadlines & Fees

Regular Application Deadline: Applications are accepted throughout the year for most programs.

Application Fee: \$0

Application Fee Waiver: N/A

### Selective Admissions Programs

The Nursing and Bachelor of Applied Science degree programs have unique admissions procedures and application fees. For detailed information, visit the Centralia College website at [www.centralia.edu](http://www.centralia.edu).

### Dual Credit Options

#### Running Start

Running Start allows eligible high school juniors and seniors to earn college and high school credits at the same time. For more information, visit the college website at [www.centralia.edu](http://www.centralia.edu).

#### College in the High School

Juniors and seniors in high school may be eligible to enroll in college-level classes in their high schools. Classes are taught by high school teachers and reflect the same academic standards as classes offered on the college campus.

Interested students should contact their local school district for information about class availability, schedules, and the application process.

### Estimated Annual Expenses

Tuition/Fees (15 credits)	\$3851
Room and Board	\$0
Books/Supplies	\$1000
Total	\$4851

## Admission Requirements and Criteria

For students entering in Fall 2017

### General Eligibility

Edmonds CC has an open admission policy. All students are admitted if they are 18 years of age or older or are high school graduates (or GED equivalent).

### Deadlines and Fees

Admissions information: [edcc.edu/es/apply](http://edcc.edu/es/apply)

Application link: [edcc.edu/getting-started/admissions/new-student.html](http://edcc.edu/getting-started/admissions/new-student.html)

Application fee: None

### Admissions Information

425-640-1000, 425-640-1159 (fax)

[info@edcc.edu](mailto:info@edcc.edu)

[edcc.edu/es](http://edcc.edu/es)

### Selective Admissions Programs

The Nursing Program at Edmonds Community College prepares individuals to become Licensed Practical Nurses (approved by the Washington State Nursing Care Quality Assurance

Commission). Graduates earn a certificate of proficiency in practical nursing. See [edcc.edu/lpn](http://edcc.edu/lpn) for more program information.

New for fall 2017! A Bachelor of Applied Science in Child, Youth, and Family Studies at Edmonds CC provides advanced knowledge and skills for professional positions in educational settings for young children and social services programs for youth and families. Visit [edcc.edu/cyfs](http://edcc.edu/cyfs) for more information.

## General Information

The community's place to learn: more than 20,000 students, including more than 1,400 international students from 62 different countries, enroll every year for credit toward a certificate or degree.

Students may:

- Begin a bachelor's degree by earning a two-year transfer degree to prepare for a four-year university. Students may also complete a bachelor's degree on the Edmonds CC campus at CWU-Lynnwood.
- Develop skills for career fields: business, health care, technology, construction management, culinary arts, early childhood education, engineering, event planning, horticulture, hospitality and tourism, paralegal, project management, and social and human services.
- Get customized training for businesses at the Business Training Center, train for aerospace careers at the Washington Aerospace Training and Research Center, and take Community Education non-credit classes that encourage lifelong learning and personal enrichment.

## Dual Credit Options

Tech Prep, College in the High School, and Running Start. [edcc.edu/highschool](http://edcc.edu/highschool)

## High School Options

Edmonds CC offers options for students to earn their high school diploma or equivalent. Students can develop an individualized path to success, finish what they've started, and plan next steps. Find out about all of our precollege programs at an orientation: GED preparation, EdCAP, Adult High

School, High School Completion for International Students, High School 21+ adult diploma, and I-BEST. Learn more at [edcc.edu/precollege](http://edcc.edu/precollege).

## **Estimated Annual Expenses**

Full-time (12 credits per quarter, three quarters) in 2017-18

Tuition and Fees	\$3,756
Room and Board (students living away from parents)	\$10,140
Books/Supplies	\$825
Total	\$14,721

## **Awards in 2015-16**

Students receiving financial aid: 31%  
Total grant and scholarship aid (not including loans): \$12 million

## **Financial Aid**

## Housing

EvCC has two student housing buildings, Mountain View (opened September 2016) and Cedar Hall (opening September 2017).

Mountain View has 120 private, furnished apartments, each with its own bathroom and kitchen area. Cedar Hall has studio, three-bedroom, and four-bedroom apartments for 132 students.

Units can be leased for one to four quarters. Rent includes all utilities and wireless internet. On-site staff is available to assist students and buildings are protected by Campus Safety & Security.

Application and more information for both buildings is available at [EverettCC.edu/Housing](http://EverettCC.edu/Housing)

### **Campus Visits**

Phone: 425-388-9100

Website: [EverettCC.edu/Tour](http://EverettCC.edu/Tour)

### **Locations**

EvCC's north Everett campus is located on 40 acres with 19 classroom and lab buildings. EvCC also offers classes at its East County Campus in Monroe, Aviation Maintenance Technical School at Paine Field, Corporate & Continuing Education Center in south Everett, School of Cosmetology in Marysville, and at several other locations in north and east Snohomish County.

### **Programs and Degrees**

EvCC offers more than 90 programs, including university transfer degrees and certificates for technical and career fields.

#### **Aerospace**

EvCC is the home of the Washington State Center of Excellence for Aerospace and Advanced Materials Manufacturing and offers degree programs, certificates, and continuing education for to in-demand jobs in the aerospace industry.

#### **Advanced Manufacturing**

EvCC's Advanced Manufacturing Training & Education Center (AMTEC) offers six programs to train students for in-demand jobs.

All programs are short, stackable and lead to a professional certificate or college degree.

Students learn about the manufacturing process from start to finish as they complete interdisciplinary projects like creating unmanned aerial vehicles, rockets, robots and paddle boards.

More information: [EverettCC.edu/AMTEC](http://EverettCC.edu/AMTEC).

### **Nursing**

EvCC's Nursing and Health Sciences building includes hospital-like classrooms and a clinical simulation lab.

### **Engineering**

After earning an associate degree, engineering students can stay on EvCC's campus to earn a bachelor's degree in mechanical engineering through Washington State University North Puget Sound at Everett.

### **Visual Arts**

EvCC's visual arts program includes photography, studio art (drawing, design, painting, ceramics, sculpture and printmaking), and visual communications (graphic arts, digital illustration, and web design).

### **Four-Year Degrees at EvCC**

The Everett University Center, coordinated by Washington State University, is located at EvCC's campus. The University Center offers bachelor's and master's degree programs through partner universities: WSU, University of Washington Bothell, Western Washington University, Central Washington University, Eastern Washington University, and Hope International University.

### **Sports and Recreation**

Intercollegiate Athletics:

EvCC has 11 athletic teams, including:

- Men's & Women's Basketball
- Men's and Women's Cross Country
- Men's and Women's Track and Field
- Men's and Women's Soccer
- Men's Baseball
- Women's Softball
- Women's Volleyball

EvCC also has a 49,000 square foot Student Fitness Center that has a gym with bleacher seating for 2,250, a cardio and free weight training room, a climbing wall and running track.

### **Student Life**

EvCC has more than 40 student clubs, student leadership opportunities, student government, and a wide variety of events and activities, including live music, an art gallery, theater, speakers and all-campus celebrations.

## Introduction

Highline College is nationally and internationally recognized as a premier college, a reputation earned through the development of an institutional culture that values innovation, globalization of curriculum and community participation. Founded in 1961 as the first community college in King County, located just south of Seattle, Highline now offers applied bachelor's degrees in five high-demand programs.

Diversity and inclusion are bedrocks of the institution. In 2014, this commitment earned the college the prestigious Award of Excellence for Advancing Diversity from the American Association of Community Colleges, recognizing Highline as a leader among the nation's community colleges for increasing diversity as well as educational and social justice equity. This is just one of the many awards Highline has received that speaks to the college's support of historically disadvantaged and underrepresented individuals in postsecondary education.

## Accreditation

Highline College is accredited by the Northwest Commission on Colleges and Universities.

## Student Profile

Highline is the most diverse higher education institution in the state, with more than 70% students of color. Highline is designated as a Minority-Serving Institution by the U.S. Dept. of Education.

Total Enrollment: 16,898 (2015-16)  
Faculty/Student Ratio: 1:17

## Program Intent

College/University Transfer: 50%  
Professional-Technical: 17%

## Admission Requirements and Criteria

- Any applicant who is at least 18 years old or who has completed high school.
- Those under 18 who have not completed high school are admitted conditionally; these students need to be also admitted into one of our high school programs (e.g., ELL EXCEL, Pathway to College, Running Start)

## Selective Admissions Programs

AAS programs: [admissions.highline.edu/apply/aas-selective-admissions](http://admissions.highline.edu/apply/aas-selective-admissions)

TRiO: [trio.highline.edu](http://trio.highline.edu)

Umoja Black Scholars: [umoja.highline.edu](http://umoja.highline.edu)

## Student Life

Highline students are actively engaged in leadership and student communities. The college offers trainings and employment in campus extracurricular programs, arts and student support services. The Center for Leadership and Service offers approximately 50 clubs to choose from, or you can start your own. Students also participate in Phi Theta Kappa, student government, organizations, student newspaper, and much more.

## Estimated Annual Expenses

Figures are calculated based on tuition for Washington state residents taking 15 credits each quarter of lower division courses during FY 2016-17, while living with a parent/guardian.

Tuition and Fees	\$3,846
Room, Board, Food	\$7,634
Books and Supplies	\$825
Transportation	\$1,485
Personal Expenses	\$1,867
Total	\$15,657

## **Designed for Student Success**

The **Health Sciences and Student Resources Building** (HSSR) enhances learning opportunities at North.

HSSR houses:

- labs with the latest in teaching tools, including a life-size digital cadaver – the only one at a two-year college in Washington state.
- a nine-bed hospital environment, complete with the most advanced patient simulators and virtual cadaver labs.
- a free Learning Center to make it easy for students to get help with their studies – Science, math, accounting, a writing center, foreign languages and more.

## **New Student Initiatives**

North Seattle College was one of three community colleges in the world and the only one in Washington state to compete in the Intercollegiate Rocket Engineering Competition in June 2017 in Las Cruces, New Mexico. Students in North's Rocketry Club built their first rocket as a proof of concept using a 3-D printer from the college. Some of the members of the club received \$2,000 NASA space grants for pursuing space related projects. The rocket used in the competition weighed 52 pounds and measured 97 and a half inches long.

## Notable Programs

### Bachelor Degrees

- Bachelor of Applied Science in Information Systems
- Bachelor of Applied Science in Organizational Leadership and Technical Management
- Bachelor of Science in Nursing
- Bachelor of Applied Science in Digital Filmmaking

### Associate Degrees

OC offers several transfer associate degree

Associate degrees in Arts, or Science (track 1 and 2, or General Studies). Major-ready-pathway associate degree in Business, Elementary Education, Engineering and Pre-Nursing.

Associate degrees in Technical Arts: Accounting Technology, Business, Business Management, Business Technology, Computer Information Systems, Cosmetology, Culinary, Early Childhood Education, Electronics, Elementary Education, Engineering, Human Services, Manufacturing Technology, Medical Assisting, Diploma Nursing, Organizational leadership, Physical Therapist Assistant, Pre-Nursing, Technical Design, Welding.

### Certificate Programs

Practical Nursing, Medical Assisting, Welding, Homeland Security Emergency Management, and most professional/technical areas.

### Basic Studies Programs

- Adult Education/GED preparation and English for Speakers of Other Languages.
- Intensive English for International Students
- Integrated Basic Education and Skills Training
- Continuing Education and online credit professional training and/or leisure courses.

### University Partners

OC partners with universities to provide pathways into bachelor degree programs so students can complete their education without crossing Puget Sound.

- Washington State University
- Western Washington University

- Brandman University
- Old Dominion University

## Student Profile

Total Enrollment: 16,769  
Average Class Size: 25

## Program Intent

College/University Transfer: 57%  
Professional-technical: 32%

## Admission Requirements and Criteria

Pierce College has an open-door admissions policy, practices equal opportunity, and does not discriminate in its educational programs. No one is denied admission to the college because of race, color, national origin, age, perceived or actual physical or mental disability, pregnancy, genetic information, sex, sexual orientation, gender identity, marital status, creed, religion, honorably discharged veteran or military status, or use of trained guide dog or service animal.

Anyone who is 18 years of age or older, or whose high school class has graduated, or is a high school graduate or has earned a GED, or has qualified for admission through Running Start or a successor program, may enroll at Pierce College. Students who are 16 or 17 years of age and do not meet the minimum admissions standards, must obtain written permission from the school district of residence before being accepted for admission and/or enrolling in Pierce College courses.

As a policy, Pierce College does not admit students under the age of 16. Under certain circumstances,

special consideration may be given to students who petition for an underage admission exception. Students should begin the petition process at least 30 days prior to the start of the quarter they wish to attend by contacting the admissions office at Fort Steilacoom or Puyallup.

## Special Admissions Programs

Some programs, such as the Bachelor of Applied Science degrees, Veterinary Technology, and Nursing, have special admission requirements.

## Requirements for non-U.S. Citizens

Students who are not U.S. citizens must present a Permanent Resident card, I-94, or other immigration documentation at the time of application or registration so that residency for tuition-paying purposes may be determined. In addition, individuals on non-immigrant visas must meet additional admission requirements.

## Military Site Admissions

Enrollment at the Military Program is accepted in-person at the offices on Joint Base Lewis-McChord, via fax, email or the GoArmyEd portal. For more information on how to enroll, please visit the Military Program website at [www.pierce.ctc.edu/military](http://www.pierce.ctc.edu/military).

## Admissions Fees

There is no admission fee.

## Dual Credit Options

### Running Start

Through the Running Start program, high school students may enroll in up to 15 college-level credits (based on students' combined high school and college enrollment) per quarter tuition-free.

To be eligible, a student must:

- Be a junior or senior
- Qualify for English 101 by taking the Accuplacer assessment. If a student qualifies for college-level math in addition to Reading 101, then the student is only eligible to take math courses numbered 100 and above through Running Start.

Students attending private schools must enroll in the public high school they would otherwise attend for funding purposes. Home-schooled students

must inform their local school district that they will be participating in Running Start, file an Intent to Home School form, and be evaluated as a junior or senior by their local school district. Prior to registering for classes, all new students are required to attend a Running Start registration workshop and orientation before the start of their first quarter.

For more information on the steps to get started, please visit the Running Start website at [www.pierce.ctc.edu/dist/runningstart](http://www.pierce.ctc.edu/dist/runningstart).

### **Estimated Annual Expenses**

Tuition (3 quarters with 15 credits)	\$4,166
Books/Supplies	\$1,050
Fees	\$315
Total	\$5,531

### **Financial Aid**

For more information on financial aid, please call 253-964-6544 or visit [www.pierce.ctc.edu/dist/financialaid](http://www.pierce.ctc.edu/dist/financialaid)

### **Campus Visits**

 Website: [www.pierce.ctc.edu](http://www.pierce.ctc.edu)  
 Email: [rschindler@pierce.ctc.edu](mailto:rschindler@pierce.ctc.edu)

### **Sports and Recreation**

Raider Athletics has a rich tradition of success and accomplishment, dating back to the program's inaugural season in 1968-69, when the college first participated in men's basketball. Raiders teams have won conference championships in tennis ('75), softball ('82), and soccer ('92), and baseball ('12). Additionally, Raider teams are regular qualifiers to compete in post-season playoffs. Recent successes on the field and on the court placed four Raiders teams in the playoffs in 2016-17. The softball team has won six division titles in the past ten years, and the baseball team has won four division titles in the past seven years. The men's basketball team finished in second place in the 2014, 2011 and 2005 NWAACC tournaments, and also placed third at the 2007 tournament. The men's soccer team placed third at the Fall 2016 championships and has qualified for the playoffs in nine of the past twelve years. The volleyball team

has qualified for the playoffs in three of the past five years, and Raider Athletics has been the host college for the NWAC Volleyball Championships the past three years. Women's soccer was added as an intercollegiate sport in 2013.

Individually, many Raider athletes have been recognized over the years for their individual competitive achievements, and for their success in the classroom. Preparation and development for competition, combined with excellent support and an emphasis for academic success has provided the opportunity for over 70 Raiders in the past six years to receive athletic scholarships to continue their academic and athletic endeavors at four-year universities throughout the United States.

### **Student Life**

Pierce offers a variety of clubs and activities to suit many interests. In addition, Pierce has chapters of Phi Theta Kappa, the national honors society for two-year colleges, at both main campuses.

The Fort Steilacoom campus also features the 58-seat Science Dome, which has become the only digital planetarium of its kind in the South Puget Sound region. The Science Dome offers live astronomy presentations, full dome videos on a 38-foot domed screen, interactive children's shows, K-12 field trip, Pierce College class instruction, special events and more.

### **American Honors at Pierce College**

Pierce College offers American Honors, a competitive community college honors program that not only challenges students academically, but it also provides them with the tools and one-to-one support to help students succeed in academics – and in life.

American Honors program graduates emerge as independent thinkers and effective leaders, stepping into successful careers or continuing onto top-tier four-year colleges and universities across the country.

Supportive advisors work with students to establish a transfer strategy from day one. A growing network with some of the nation's top four-year universities actively recruits program graduates and, in some cases, guarantees admission. This honors education at Pierce College will prepare students for the rigor of a four-year college.

## National Recognition

Renton Technical College is an *Achieving the Dream (ATD) Leader College* and a Military Friendly college.

Renton Technical College is one of six colleges selected by ATD to receive funding and guidance for the Engaging Adjunct Faculty in the Student Success Movement, an ambitious effort to better engage part-time faculty as active contributors to college reforms under the leadership of full-time faculty.

In April 2016, RTC was awarded a \$200,000 grant by the National Science Foundation (NSF) to support the development of a new bachelor's degree in the high-demand field of computer network architecture.

## Programs

### College Transfer

Students can take their first two years of college here, where we offer smaller classes taught by talented instructors dedicated to helping them reach their goals. Then, students can transfer their credits to a four-year college or university to finish their bachelor's degree.

### Professional/Technical

Seattle Central offers a variety of career preparation short-term certificate, associate degree

and applied bachelor's degree programs to help students launch successful careers including:

### Business Technology Management

Business Process Management, Business Intelligence, Office Management, Accounting Assistant, User Support, Applied Accounting and Entrepreneurship

### Creative Arts

Graphic Design and Apparel Design and Development. \*Not currently enrolling for Commercial Photography

### Culinary

Culinary Arts and Specialty Desserts & Breads

### Healthcare

**Dental Hygiene, Respiratory Care, Community Health & Education, Healthcare Services Management, Nursing, Surgical Technology** and other Allied Health fields

### Information Technology

**IT-Networking**, Web Design, Web Development, Programming, Database Administration and more.

### Maritime

Marine Engineering Technology and Marine Deck Technology

### Social & Human Services

**Applied Behavioral Science**, Chemical Dependency, Early Childhood Education & Family Studies and Social & Human Services.

### Wood Technology

Carpentry, Cabinetmaking and Marine Technology

\*Bachelor's of Applied Science degrees indicated in bold.

### Basic Studies

These programs help students who are not quite ready for college-level classes including: Adult Basic Education, I-BEST, GED, High School Completion, High School 21+ and ESL.

### Seattle Vocational Institute

SVI's programs provide work-ready skills, and can be completed in just a few quarters.

## Dual Credit Options

### Running Start

This program gives students a "running start" on college-level coursework. Completed courses count twice – once toward fulfillment of high school graduation requirements, and again for college credit. More information: [seattlecentral.edu/runstart](http://seattlecentral.edu/runstart)

### Other High School Programs

Seattle Central currently offers TechPrep and other programs to help local high school students start earning college credit while in high school. More information: [www.seattlecentral.edu/hsprogs/](http://www.seattlecentral.edu/hsprogs/)

### I-BEST (Integrated Basic Education and Skills Training)

This program helps students at the basic skills level enroll in college-level programs so they can earn certificates in high-demand industries. Classes teach basic skills and workforce skills at the same time. More information:

[www.seattlecentral.edu/basic/ibest.php](http://www.seattlecentral.edu/basic/ibest.php)

## Student Life

### Student Support Services

Tutoring, advising, counseling, childcare assistance program, multicultural services, veteran's services, and women's programs. Workforce Services, TRiO, MESA, College Success Program and other programs also support qualifying students throughout their time at Seattle Central.

### Student Clubs/Organizations

Seattle Central currently has over 50 active clubs, including: Glee Club, Public Speaking Club, Black Student Union, Chinese Club, Student Veterans Association and many more.

### Campus Events

Throughout the year, the campus hosts a variety of events, with many planned and produced by students, including: concerts, an annual Unity Fair, art events, panel discussions and more.

### Sports and Recreation

Seattle Central has a full-service fitness center featuring basketball courts, free weights, cardio machines, pool tables and more. Several student clubs cater to those interested in sports.

### Student Profile

(Fall 2015-16 Enrollment)

Annual Headcount: 10,205

Faculty/Student Ratio: 1:16

### Admission Requirements and Criteria

SVC is an open-door community college and welcomes applications from all students.

Applications may be submitted any time, though some programs only admit students early in spring/summer for fall. 1) Applications should be submitted as early as possible by the Washington State Web Application; any previous college transcripts should be officially sent to Admissions. 2) Once admitted, new students need to complete an application supplement and place into math/English courses; see [www.skagit.edu/placement](http://www.skagit.edu/placement) for details 3) Incoming students will go through an online orientation and then be scheduled for group advising to learn about SVC resources and register for classes.

## Admission Requirements and Criteria

### General Eligibility

We maintain an "open door" admissions policy and admit any person who may benefit from our programs, regardless of academic background.

### Deadlines & Fees

More on deadlines and fees at [spscc.edu/apply](http://spscc.edu/apply)

What Quarter do you want to start?	Applications will be processed starting	Quarter Begins
Winter 2018	July 2017	Jan. 2, 2018
Spring 2018	Sept. 2017	April 2, 2018
Summer 2018	Jan. 2018	July 2, 2018
Fall 2018	Jan. 2018	Sept. 17, 2018

Application Fee: No fee for general application. \$25 fee applies to Selective Admission Programs.

Other Fees: Additional fees include a Technology Fee, a Student Building Fee, a Matriculation Fee,

and course fees as applicable. Running Start students pay Associated Student Programs fee. More online at [spscc.edu/tuition-fees](http://spscc.edu/tuition-fees)

## Selective Admissions Programs

The following programs have requirements beyond the regular application process.

- Dental Assisting
- Fire and Emergency Services Technology
- Nursing

More online at [spscc.edu/apply/special](http://spscc.edu/apply/special)

## Dual Credit Options

### Running Start

Running Start allows high school juniors and seniors in Washington State to take classes and earn credits at a community college. The most successful Running Start students graduate with a high school diploma and an associate degree at the end of their senior year. Running Start students make up about 20% of SPSCC students and participate in clubs, student leadership, and more. Students who place into or have completed English 101 (ENGL& 101) are eligible. This includes public school, private school, and home school students. More online at [spscc.edu/apply/runningstart](http://spscc.edu/apply/runningstart)

## Estimated Annual Expenses

Tuition and Fees	\$3,957
Room and Board	\$3,270 (living with parent); \$9,780 (living on own)
Books/Supplies	\$1,050
Total	\$8,277 (living with parent); \$14,787 (living on own)

## Financial Aid

Scholarship Website: [spscc.edu/scholarships](http://spscc.edu/scholarships)

## FAFSA Deadlines

Priority deadline for 2018-2019 is March 15, 2018

Fall 2017: June 15, 2017

Winter 2018: Oct. 19, 2017  
Spring 2018: Jan. 25, 2018  
Summer 2018: March 15, 2018

School Code: 005372

## Housing

We do not offer on-campus housing, but several apartment complexes and housing options are located near campus.

## Campus Visits

There are three easy ways to visit and get information on becoming a student at SPSCC.

1. Info Session & Campus Tour – attend a group information session and tour that walks you through the admission process, financial aid, and assessments and includes a walking tour of campus.
2. Drop-In at Start Here Desk – meet our Admissions Outreach Team for drop-in overview of steps to enroll hosted at the Start Here Desk—great for answering general questions or getting started.
3. One-on-One Appointments – schedule a one-on-one appointment with an admissions specialist to walk through steps to enroll, perfect for students with specific questions in need of extra help or who wish to connect personally.

Phone: 360-596-5440  
Email: [outreach@spscc.edu](mailto:outreach@spscc.edu)  
More online at [spscc.edu/visit](http://spscc.edu/visit)

## Sports and Recreation

SPSCC Clipper Athletics compete in the Northwest Athletic Conference (NWAC) Western Region for:

- Women's volleyball
- Men's soccer
- Women's basketball
- Men's basketball

The Athletics programs at South Puget Sound Community College provide opportunities for men and women to participate in highly skilled, competitive intercollegiate sports. These programs greatly contribute to the academic success of our student-athletes while giving students an

opportunity to play sports during their first two years of college. More online at [spscc.edu/athletics](http://spscc.edu/athletics)

Phone: 360-596-5469  
Email: [athletics@spss.edu](mailto:athletics@spss.edu)

## Workforce Transitions

For students who are ready to get out into the workforce quickly, our technical certificate and degree programs can be the perfect path. Our Workforce Transitions programs provide financial support to help connect students with a path into a high-demand, high wage career. These programs can support:

- Professional technical training (over 30 degrees and certificates available)
- Job skills training—specific skills needed to gain employment
- Pre-college skills (diploma, GED, basic skills or ESL) to prepare for career training

Each program has different criteria and requirements, but SPSCC has tools and experts to help each student find funding that will put them on a solid path to completion and employment. More online at [spscc.edu/workforce](http://spscc.edu/workforce)

## Admission Requirements and Criteria

### General Eligibility

Spokane Community College has an open door admission policy that allows anyone who has graduated from high school, completed the requirements for a GED certificate or who has special permission from the Director of Admissions and Registration to enroll. You may begin your college study at the beginning of any quarter (fall, winter, spring or summer); however, you should be aware that some programs of study only begin during certain quarters.

### To enroll at SCC

1. Apply online at [www.scc.spokane.edu](http://www.scc.spokane.edu) or in person
2. Apply for financial aid at [www.fafsa.gov](http://www.fafsa.gov)
3. Complete placement testing (\$30)
4. Academic counseling
5. Register for classes

### Deadlines & Fees

Regular Application Deadline: Application deadlines are three weeks prior to the start of the quarter you want to attend.

- \$30 placement testing fee

## Selective Admissions Programs

- American Honors

## Competitive Entry Programs

- Diagnostic Medical Sonography
- Nursing
- Radiology Technician
- Respiratory Care
- Echocardiography

## Dual Credit Options

Programs like Running Start, Advanced Placement and Tech Prep offer opportunities for earning college credit while in high school. College Prep, Career Transitions, GED, ESL and I-BEST programs offer additional transition programs for students returning to college or enrolling for the first time.

## Estimated Annual Expenses

Tuition	\$3,851.70

## Admission Requirements and Criteria

### Admissions Information

509-533-3500 / 509-533-3237 Fax  
<http://www.spokanefalls.edu/Admissions/RegistrationInfo.aspx>

### General Eligibility

Spokane Falls Community College has an open door admission policy that allows anyone who has graduated from high school, completed the requirements for a GED certificate or who has special permission from the Vice President of Student Services to enroll. You may begin your college study at the beginning of any quarter (fall, winter, spring or summer); however, you should be aware that some programs of study only begin during certain quarters.

SFCC now offers Bachelor of Applied Science degrees in Information Systems and Applied Management. [www.ccs.spokane.edu/bas](http://www.ccs.spokane.edu/bas)

### To get started at SFCC:

1. Apply online at [www.spokanefalls.edu](http://www.spokanefalls.edu) or in person.
2. Apply for financial aid at [www.fafsa.gov](http://www.fafsa.gov).
3. Complete placement testing.
4. Attend orientation and meet with an academic counselor.
5. Register for classes.
6. Pay tuition and fees.
7. Buy books and course materials.

## Deadlines & Fees

Regular Application Deadline: The first day of current quarter.

- Placement testing fee \$30

## Selective Admissions Programs

- American Honors
- Audio Engineering
- Graphic Design
- Occupational Therapy Assistant
- Physical Therapy Assistant

## Dual Credit Options

Programs like Running Start, College in the High School, Advanced Placement and Tech Prep offer opportunities for earning college credit while in high school. College Prep, GED, ESL and I-BEST programs offer additional transition programs for students returning to college or enrolling for the first time.

## Estimated Annual Expenses

Tuition	\$3,851.70
Books/Supplies	\$1,134
Indirect Costs- Transportation and personal living expenses	\$3,210
Total	\$8,195.70

## Financial Aid

Phone: 509-533-3550

## Student Profile

*(2015-16 annualized all funds)*

Total Enrollment: 9,965 headcount at all WWCC sites.

Faculty/Student Ratio: 1:18

## Program Intent

College/University Transfer: 29%

Professional-technical: 38%

Basic Skills: 12%

Personal/Other: 20%

## Admission Requirements and Criteria

### General Eligibility

Walla Walla Community College is an open-access higher education institution. All qualified individuals are accepted who are at least 18 years of age or are graduates of an accredited high school or have an equivalent certificate, i.e., General Education Development (GED). Applicants under the age of 18 at the time of registration and who are not high school graduates must complete the Under-Age Admission Policy paperwork or be participating in a program designed for high school students.

### Deadlines & Fees

Regular Application Deadline: Open

Priority Application Deadline: Dependent upon program

Application Fee: \$0

Application Fee Waiver: Not necessary

### Selective Admissions Programs

Some programs have specific admission procedures and limited space; therefore, admission to the College does not guarantee availability of all programs or courses. Please review special admission procedures for workforce programs under entrance requirements for the specific program of interest at [www.wwcc.edu](http://www.wwcc.edu)

### Dual Credit Options

Running Start, Tech Prep, College in the High School.

## Estimated Annual Expenses

Tuition & Fees	<u>\$4,203.00</u>
Room and Board	<u>\$3,000.00</u>
Books/Supplies	<u>\$1,000.00</u>

## Sports and Recreation

Walla Walla Community College offers a wide variety of athletic opportunities for prospective student athletes. In the Fall, Warrior Field on the front of campus hosts Men's and Women's Soccer, while Volleyball takes center stage in the Dietrich Center – often referred to as 'The Dome'. The Winter quarter sees The Dome taken over by the Men's and Women's Basketball while the Spring months offer Baseball, Softball, Men's and Women's Golf and Rodeo. The Warriors play in the Northwest Athletic Conference (NWAC) – the largest independent association of community colleges in the country.

## **Admission Requirements and Criteria**

### **General Eligibility**

Wenatchee Valley College maintains an open enrollment policy for all students who are high school graduates, have earned a General Education Development (GED) certificate or are at least 18 years of age. Otherwise, you may apply for special admission.

### **Deadlines & Fees**

Regular Application Deadline: two weeks before classes begin  
Application Fee: Yes  
Application Fee Waiver: Yes  
Other Fees: Registration fee, \$5/quarter (Wenatchee campus). Technology fee, \$3/credit, \$30 maximum. Student rec. center fee, \$5/credit, \$75/quarter maximum.

### **Selective Admissions Programs**

Qualified applicants who have met the prerequisites for the allied health program of their choice are considered of equal merit and equally qualified to be accepted into a limited enrollment program. However, if the number of qualified applicants exceeds the number of available spaces in a program, admission will be competitive and based on an estimate of the student's potential to succeed. Students applying to an allied health program must attend an allied health information session prior to submitting a supplemental application for a program. The information sessions will describe the requirements of the programs, the application processes, the selection criteria and the occupation under consideration. Application materials are available on the website, [www.wvc.edu/alliedhealth](http://www.wvc.edu/alliedhealth). Information session schedules are available in the allied health office and on the college website.

## About Whatcom

WCC is a regionally and nationally accredited college with an accomplished faculty and staff who serve 11,000 students annually. On its campus in Bellingham, Wash., and through online courses, Whatcom offers transfer and professional-technical degrees as well as basic education, job skills training, and community and continuing education classes. The College will offer a BAS degree in IT Networking, beginning fall 2017. Based on student outcomes, the Aspen Institute recognizes Whatcom as one of the top community and technical colleges in Washington and among the nation's leading two-year colleges.

Top degrees WCC grads earn at two- or four-year colleges:

- STEM (science, technology, engineering, math)
- Business, finance, accounting
- Social sciences
- Humanities
- Nursing

## Bachelor degrees

- Beginning fall 2017, Bachelor of Applied Science (BAS) degree in IT Networking

## Associate and transfer degrees

- Associate in Arts & Sciences (DTA)
- Associate in Science (AST)

- Associate in Business (Transfer - Major Related Program)
- Associate in Applied Science-Transfer (AAS-T)-Cybersecurity
- Associate in Applied Science-Transfer (AAS-T)-ECE
- Associate in Liberal Studies (non-transfer)

## Professional-technical programs

- Accounting & finance
- Business administration
- Computer information systems
- Criminal justice
- Early childhood education
- Hospitality & tourism management
- Massage practitioner
- Medical assisting
- Nursing
- Nursing assistant
- Office administration
- Paralegal studies
- Patient navigation
- Physical therapist assistant
- Visual communications

## Admission requirements & criteria

### General eligibility

WCC welcomes any person at least 18 years of age who has graduated from high school or has earned a GED certificate. Applicants who do not meet these criteria will be considered on an individual basis.

## Notable programs

- Designated a National Center of Academic Excellence in Information Assurance / Cyber Defense by the National Security Agency and U.S. Department of Homeland Security
- Lead institution for CyberWatch West, a regional cybersecurity education consortium
- Beginning fall 2017, Bachelor of Applied Science (BAS) degree in IT Networking
- State-of-the-art health professions training facilities
- Health professions program graduates exceed national licensure exam pass rates
- Pre-engineering courses
- International programs and study abroad

## Campus tours & outreach

There's no better way to get a feel for Whatcom than to visit the campus in person. Discover why WCC is the place for you! Do you host a college night at your high school? Please be sure to invite Whatcom to attend.

[whatcom.edu/tours](http://whatcom.edu/tours)

360.383.3002 | [outreach@whatcom.edu](mailto:outreach@whatcom.edu)

## Campus life

There are countless ways for WCC students to actively participate in campus life and enhance their college experience. Whatcom's office of student life provides opportunities for students to get involved in student government, programming & diversity board, student ambassadors and student clubs. There is also a campus newspaper, choir and active drama program. The office of student life's mission is to provide vibrant campus life and leadership programs that engage educate and empower WCC students.

360.383.3007 | [studentlife@whatcom.edu](mailto:studentlife@whatcom.edu)

## Athletics & recreation

Intercollegiate athletics provides a variety of learning experiences for students and helps build pride and a sense of community. WCC's award-winning Orca athletic program offers men's and women's basketball and soccer, and women's volleyball. Orca athletics puts academics first and connects student athletes with the outstanding resources available at the College. Our athletes consistently excel in the classroom and on the field/court.

The College's student recreation center includes more than 24,000 square feet of new construction and 6,700 square feet of renovated space.

Amenities include:

- New fitness and strength training equipment
- Indoor running track
- Balcony-level fitness and stretching areas
- Two studio spaces
- Towel service and upgraded locker room facilities
- Food and beverage services

## Housing

WCC has limited housing to lease to students in several local apartment complexes within two miles of campus. There are many non-college apartment complexes and other housing options located within walking distance from the College or a bus line.

Website: [www.yvcc.edu/financialaid](http://www.yvcc.edu/financialaid)

Yakima Valley Community College Foundation  
Scholarships: <http://www.yvcc.edu/scholarships>

There are many other scholarships available through local companies, local service clubs, and by national organizations. The YVC Foundation does not have involvement with these programs, but all persons interested in attending YVC are encouraged to explore several scholarship sources. High school seniors seeking scholarships to YVC should also contact their high school counselors.

### **FAFSA/WASFA Deadlines**

Complete the appropriate application as soon you can after October 1 for the following school year. We accept the Free Application for Federal Student Aid (known as the FAFSA at [www.fafsa.gov](http://www.fafsa.gov)) or the Washington Application for Student Financial Aid (known as the WASFA at [www.readysetgrad.org/WASFA](http://www.readysetgrad.org/WASFA)) for Washington residents who do not qualify for federal aid for the following school year as soon as you can after October 1. The first financial aid award notices for fall are usually mailed in summer. At a minimum, students relying on financial aid at the start of enrollment should complete their financial aid application files two months prior to the first day of the quarter. The first group of students awarded will typically be students who have filed a FAFSA/WASFA by March 1 and have completed their financial aid files as early as possible. Awarding continues throughout the year in the order that applications are received.

#### **Fall**

Priority Deadline: March 1

Regular Deadline: July 18

#### **Winter**

Priority Deadline: March 1

Regular Deadline: December 1

#### **Spring**

Priority Deadline: March 1

Regular Deadline: February 28

#### **Summer**

Priority Deadline: March 1

Regular Deadline: May 20

## **Housing**

The Student Residence Center (SRC) provides a safe living community for students at a competitive price. The residence hall is located on the Yakima Campus and is within a short walking distance to classes, the library, and other campus and recreational facilities. More information is available at [www.yvcc.edu/housing](http://www.yvcc.edu/housing)

## **Campus Visits**

Visit YVC and take a campus tour.

Request a tour at [www.yvcc.edu/tours](http://www.yvcc.edu/tours) or call the Admission Office at 509-574-4712.

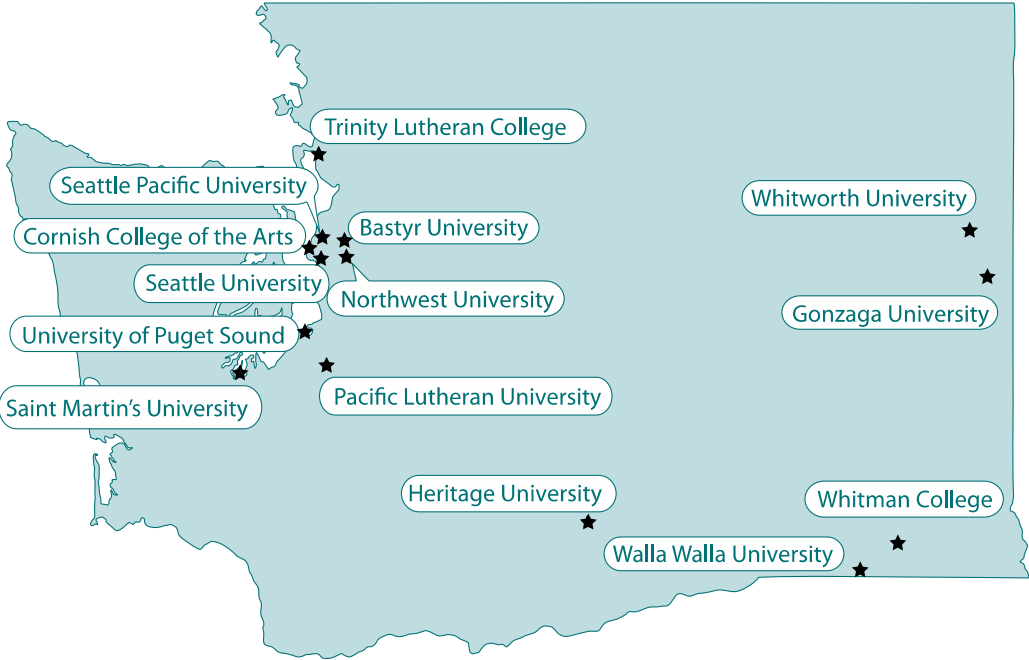

## **Sports and Recreation**

Yakima Valley College has successfully competed in intercollegiate athletics since 1928. YVC has traditionally offered a comprehensive athletic program to accommodate the special interests and talents of as many students as possible. Women's and men's sports programs, providing competitive athletic experiences to coincide with the student's academic experiences, are a high goal at YVC.

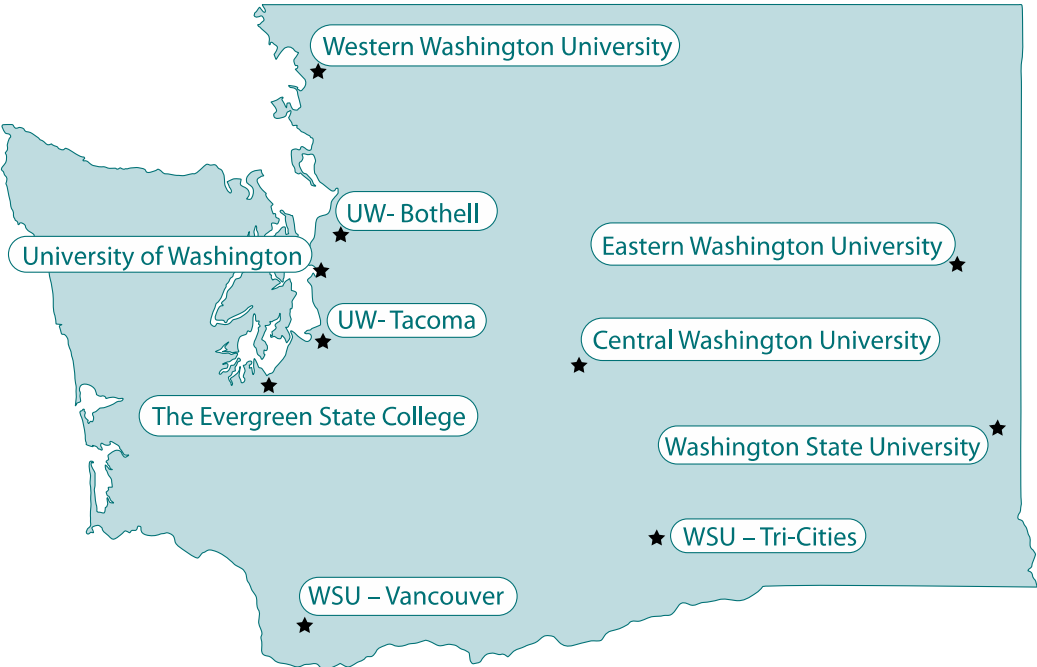

YVC is a member of the Northwest Athletic Conference (NWAC). Intercollegiate athletic programs are offered in men's baseball and basketball and in women's basketball, softball, volleyball and soccer. More information is available at [www.goyaks.com](http://www.goyaks.com)

Art (painting, photography, print art, sculpture, video)

Design (graphic design, UX, 2D and 3D animation, illustration, web design)

Film - 3yr accelerated degree program available by invitation

Interior Architecture

Visual Art students begin in a year-long Foundation program with exposure to all four areas. Second year students choose one of the four as a major.

#### **Performing Arts-**

Dance - technique, choreography, teaching, 3-year BFA available by invitation

Music - jazz, classical and composition

Theater - acting, musical theater, original works (playwriting, directing, generative works)

Performance Production - costume, scenic, lighting design, technical direction, stage management

Admission Counselors assigned by discipline.

### **Why Cornish?**

**Seattle** - Seattle is an amazing city for young emerging artists. Just the right size to see the great work of professionals and be seen as an artist with new ideas to share.

**Faculty** - Faculty are world-class working professional artists. They are actively involved in Seattle arts community and beyond. Teachers, artists, mentors - they help you bridge the gap from student to professional.

**Students** - Your peer group is here! You will be surrounded by serious, practicing artist 24/7. Faculty, classmates, staff - are all part of the community. It is a supportive, nurturing environment in which to take risks with your art making.

**Voice** - At Cornish, we place great emphasis on developing each distinct voice. Students are encouraged to push the boundaries, take risks, and feel supported to do so.

## Admission

---

### Application Updates

- Deadlines and priority dates are all on Feb. 1.
- Essays are no longer part of the application.

### Fee Waivers

Contact [admissions@ewu.edu](mailto:admissions@ewu.edu) for information.

### Freshman Required Materials

- Completed EWU Application at [ewu.edu/apply](http://ewu.edu/apply) [with \$50 fee]
- Official high school transcript
- Official SAT or ACT composite scores

### Freshman Automatic Admission

If a student has 3.0 cumulative high school GPA or higher, 1100 SAT (ACT 24), and has completed the CADR courses in high school, they will be automatically admitted to EWU.

### Transfer Required Materials (less than 40 transferable credits)

- Completed EWU Application at [ewu.edu/apply](http://ewu.edu/apply) [with \$50 fee]
- Official high school transcript
- Official college transcripts from all institutions
- Official SAT or ACT composite scores

### Transfer Required Materials (more than 40 transferable credits)

- Completed EWU Application at [ewu.edu/apply](http://ewu.edu/apply) [with \$50 fee]
- Official college transcripts from all institutions

### **Direct Admit Guidance for Engineering & Nursing**

The School of Engineering and Applied Science now has competitive, direct admission for engineering programs. This includes civil, computer, electrical, mechanical, and engineering management as well as “undecided engineering” for students who know they desire an engineering discipline but are still seeking the right one. Please note that direct admission does not apply to the computer science program. It is recommended that a student seeking admission to an engineering major take physics, chemistry and be on a calculus math track in high school. Students not admitted to an engineering major program through the application process will not be permitted to change their major to an engineering discipline once enrolled.

GU will continue with its direct admission into Nursing: Gonzaga's Nursing Program accepts first-year applications only. Applicants interested in the Nursing Program must choose "Nursing" on their application to be considered. Students not admitted into the Nursing Program through the application process will not be permitted to change their major to Nursing.

The Office of Admission is happy to lend guidance to students, counselors and parents should there be questions about the process.

---

### **New at GU**

Gonzaga University has a new core curriculum which seeks to achieve the following baccalaureate learning goals:

- Apply foundational knowledge of the liberal education disciplines to complex problems.
- Understand and appreciate multiple perspectives from inherited & global cultures.
- Use foundational skills to explore issues and express ideas.
- Understand concepts of faith and spirituality as the potential basis for living meaningful, moral, and committed lives.
- Recognize the value of and need for social transformation in moving toward a more just world.

As part of the new core, Gonzaga professors are creating innovative, interdisciplinary courses which challenge students to apply their knowledge and engage more deeply in problem solving.

GU also has a series of new building projects currently in the works. A new Jesuit Residence will open in the autumn of 2017. Construction has begun on the Myrtle Woldson Performing Art Center, anticipating an opening by January 2019. The Woldson Center will provide a beautiful space for Gonzaga’s music programs as well as theatre arts and dance. The Volkar Center for Athletics, a 51,000 square-foot building scheduled to open November 2017, will help student-athletes succeed in competition, the classroom and the community. The building will house academic support services for athletes, a weight room, nutrition center, basketball practice court, and a Gonzaga Athletics Hall of Fame.

The PNACAC Conference will be held on Gonzaga’s campus May 23 – 25, 2018. We hope to see you!

---

### **Gonzaga Western Washington Regional Representative**

Gonzaga University has an admission representation in Western Washington. Ms. Claire Silva, Associate Director of Admission, represents Gonzaga University in the greater Seattle, Tacoma and Olympia areas. Given the level of interest in western Washington for GU, Gonzaga has taken a more proactive approach.

Claire will be available for college information nights, meeting with students, high school visits, and fairs. Claire can be reached at [silva@gonzaga.edu](mailto:silva@gonzaga.edu) and at 509-313-6286.

NU offers residence halls, student apartments, and family housing on campus.

### **Athletics**

The Eagles compete in 4 men's and 6 women's sports as a member of the Cascade Collegiate Conference in the NAIA (Division I&II). Learn more at [www.nueagles.com](http://www.nueagles.com).

### **Unique Opportunities**

- Over 70% of majors require internships with local businesses and organizations that frequently lead to full-time employment.
- 73% of NU majors require global learning in study abroad and departmental trips.
- NU students have access to many service learning opportunities and mission trips during the year and throughout breaks.
- Students participate in chapel services twice per week and Biblical studies courses are included in the core curriculum.

### **Notable Programs**

- In 2017, NU's Nursing program received the maximum possible reaffirmation of accreditation (10 years) from the Commission on Collegiate Nursing Education. The program boasts a 98% first-time pass rate for graduates on the NCLEX.
- NU's Recording Arts Technology and Music Industry Business programs offer practical experience in our prestigious on-site recording arts studio, the largest live sound stage north of Los Angeles.
- The Information Technology major launches this year by faculty who are directly connected with major tech companies in the Seattle area.

### **Undergraduate Majors & Minors**

- Biology:** Pre-Medicine, Pre-Health, Pre-Veterinarian
- Business:** Accounting, Business Administration International Business, Management, Marketing, Military Science and Leadership, Music Industry Business
- Communication Studies:** Media and Society, Communication for Business, Dramatic Studies, Human Communication
- Contemporary Music Industry:** Producer, Recording Arts Technology
- Elementary Education:** Math, Science English Language Learner, Humanities,

## **Freshman Admissions and Deadlines**

**Contact:** [plu.edu](http://plu.edu) 253.535.7151 [admission@plu.edu](mailto:admission@plu.edu)

**PLU SAT/ACT codes:** SAT 4597, ACT 4470

**Deadline:** Rolling Admission (see below for guidelines)

**Decisions/notification:** Priority Reading Dates of October 15<sup>th</sup>, November 15<sup>th</sup>, December 15<sup>th</sup> and January 15<sup>th</sup>; Notification within 3-4 weeks of receiving a complete application

**Application fee:** FREE!

**Application fee waiver:** You don't need one. It is free for everyone!

### **General admission information and application:**

Applications (Common App, PLU Application or ACT SIX application) are reviewed on an individual basis with consideration for GPA, course selection, test scores, essay and recommendations. Admission to PLU is competitive.

Students with a weighted GPA of 3.8+ OR a SAT score of 1310+ OR an ACT of 28+ should apply to PLU by December 1<sup>st</sup> for Presidential Scholarship consideration.

### Selective Program Admission

Conditional Admission to Nursing: Complete an application to PLU and an additional application for Nursing by January 15<sup>th</sup>

International Honors (IHON) Program: Complete an application to PLU and an application to IHON by February 1<sup>st</sup>

## **Financial Aid and Deadlines**

**Contact:** [plu.edu/financial-aid](http://plu.edu/financial-aid) 253.535.7134 [finaid@plu.edu](mailto:finaid@plu.edu)

**FAFSA priority filing date:** December 1<sup>st</sup> (although, this is really just a guideline)

**PLU school code:** 003785

## **Additional Information**

---

### **Mission Statement**

PLU seeks to educate students for lives of thoughtful inquiry, service, leadership and care – for other people, for their communities and for the Earth.

### **2017-2018 Visit Dates**

November 4<sup>th</sup> – Fall Preview Day

More information on other on-campus programs and/or how to schedule an individual visit which can include a campus tour, admission session and even lunch, can be found here: [plu.edu/visit](http://plu.edu/visit)

### **Dual Credit/College Level Credit Policy**

PLU generally requires a score of 4 or 5 on AP exams to earn college credit. We award up to 30 credits for completion of an IB Diploma and we do accept transferrable Running Start credit. More info:

[plu.edu/admission/advanced-credit](http://plu.edu/admission/advanced-credit)

### **Housing**

8 residence halls and 1 apartment –style living community

We have optional, intentional living-learning communities for our Honors and first generation students, as well as for students interested in foreign language, STEM, creative expression, women's empowerment & gender equity, health & wellness, or diversity, justice & sustainability.

On-Campus housing is generally required for student's freshman and sophomore years.

### **Sports & Recreation**

PLU varsity athletics competes in the Northwest Conference, NCAA Division III. PLU has 19 varsity athletic teams and 4 club sports (cheerleading, lacrosse, men's rowing and ultimate Frisbee) in addition to a wide offering of intramural programs. [www.golutes.com](http://www.golutes.com)

### **Notable Programs**

PLU has over 105 programs of study that include majors, minors, certificates, endorsements and concentrations. Some include:

- Business: AACSB accreditation
- Nursing
- Communication
- Education
- Music
- Theatre
- 3-2 Engineering
- Biology
- Computer Science
- Environmental Studies
- Kinesiology
- Pre-Professional Health Programs (Pre-Med)
- Pre-Law
- Minor in Holocaust and Genocide Studies
- International Honors (IHON) Program

### **Global Education**

- PLU was the first American University to have study away classes on all 7 continents at the same time.
- Because we are on a 4-1-4 calendar system, J-Term (January Term) allows our student one extra chance to study away.
- We have built study abroad programs for some of our majors that may not otherwise have the chance, such as programs in Namibia for Pre-Med, China for Nursing students and Namibia for Education students.
- Our International Honors Program allows selected students to enroll at Oxford University in England for 4 months and immerse themselves in a world-renowned tutorial program.
- PLU offers 7 areas of Foreign Language study including Chinese, Spanish, Norwegian, Latin, Greek, German, and French.
- 91% of PLU graduates feel their experience at PLU contributed to their current understanding of global issues.

### **Outcomes**

- PLU has had 102 Fulbright Scholars since 1975
- 70% of PLU students who apply are accepted to Medical School compared to 40% nationally
- 90% of PLU students are employed or in grad school six months after graduating
- 100% of Nursing and Education graduates are employed within 6 months of graduation
- 85% of PLU students applying to Dental School are accepted

### **Scholarships**

- 97% of students receive financial aid from PLU.
- Academic Merit Scholarships - \$15,000-\$25,000 (just by applying to PLU - which is free!)
- PLU Presidential Scholarship - \$26,000-full tuition (requires a separate application that is due December 1<sup>st</sup>)
- Artistic Achievement Scholarships in Art, Music, Theatre, Dance or Speech & Debate - \$1,000-\$10,000 per year (audition required)
- 253 PLU Bound Scholarship – Full Tuition (just have to be admitted to PLU, have a 3.7 or higher weighted GPA and be a recipient of the WA State College Bound scholarship)
- [plu.edu/admission/scholarships](http://plu.edu/admission/scholarships)

### **Some Other Interesting Stats**

- 17% of our campus identifies as Lutheran.
- PLU has over 70 clubs and organizations ranging from Outdoor Rec and Habitat for Humanity to the Lute Nation Step Team and the American Marketing Association.
- PLU is #19 in the Top Private Colleges that Offer the Most Creative Arts Scholarships

### **Saints live with heart**

Saint Martin's University is a diverse, student-centered environment that balances faith, reason, service, and community. We endeavor to unite academic excellence with social responsibility, providing the kind of education that transforms lives and promotes fulfillment of the common good. Catholic monks established Saint Martin's in 1895, and are the backbone of our quirky and welcoming community to this day.

### **Saint Martin's at a Glance**

Fall 2016 first-year class:  
35% are students of color  
40% are first-generation college students  
41% Catholic  
100% students with need received aid  
76% live on campus  
80% are from Washington  
20% are from out-of-state  
3.40 average GPA

### **4 Colleges and 24 Majors**

#### **College of Arts and Sciences**

Popular majors: Biology, Social Work, Criminal Justice, Interdisciplinary Studies, Nursing RN-to-BSN (Transfer only)

#### **College of Education and Counseling Psychology**

Popular majors: Elementary Education, Secondary Education, Special Education

#### **School of Business**

Popular majors: Accounting, Business Administration (4+1 BA to MBA option)

#### **School of Engineering**

Popular majors: Civil Engineering, Mechanical Engineering, Computer Science (4+1 BS to MME, MCE, or MEM option)

#### **Pre-Professional Preparation**

Programs include Dentistry, Legal Studies, Medicine,

Nursing, Pharmacy, Physical Therapy, and Veterinarian Sciences

### **13 NCAA Division II Sports**

**Men's Teams:** Baseball, Basketball, Cross Country, Track & Field, Golf, Soccer

**Women's Teams:** Basketball, Cross Country, Track & Field, Golf, Soccer, Softball, Volleyball

### **Student Clubs**

Popular clubs include: Biology Club, Circle K, Engineers Without Borders, Hui O' Hawaii Club, Model United Nations, Society of Women Engineers, LGBTQA Club

### **Benedictine Scholars Program**

Each year ten incoming students whose academic records are matched by their leadership experiences and a commitment to compassion and social justice are chosen to receive a \$10,000 renewable scholarship (\$40,000 over four years, stackable with merit scholarship).

### **Abbot Scholars Program**

Saint Martin's only full-tuition scholarship is offered annually to four students who have demonstrated financial need and who graduate from a Catholic high school in Washington State.

### **Campus Highlights**

Saint Martin's is located just minutes from the state capital, Olympia. Over 380 wooded acres nestled in the heart of Lacey, our campus features running trails, a 9-hole disc golf course, state-of-the-art facilities including a Platinum LEED Engineering building, and is within walking distance to stores, banks, restaurants, and free public transportation.

### **Visit Us! [www.stmartin.edu/visit](http://www.stmartin.edu/visit)**

Students who visit will be eligible for a \$400 visit award if they ultimately enroll.

---

### **Campus Visits**

Campus tours are offered each weekday year-round and most Saturdays October – May. Learn more and RSVP at [www.seattleu.edu/visit](http://www.seattleu.edu/visit), or contact us: [visit@seattleu.edu](mailto:visit@seattleu.edu) or (206) 220-8040.

2016 Fall Preview Days:  
Saturday, October 29<sup>th</sup>  
Saturday, November 19<sup>th</sup>

2017 Accepted Student Open Houses:  
Sunday, April 2<sup>nd</sup> & Saturday April 8<sup>th</sup>

### **Scholarships & Financial Aid**

All applicants (first-year, transfer, and international) to Seattle University are considered for merit-based scholarships.\* Scholarships range from \$5,000 - \$22,000 per year.

The Sullivan Leadership Award is a full tuition, full room and board scholarship for incoming freshmen at Seattle University. More information can be found at [www.seattleu.edu/sullivan](http://www.seattleu.edu/sullivan).

*\*proof of English proficiency requirements may apply. Check website for details.*

### **Admissions Review**

Seattle University offers the distinct advantage of considering freshman applicants for direct entry to specific majors. Accordingly, there are specific additional requirements for admission to certain majors:

**Nursing:** must complete a full year each of laboratory biology and laboratory chemistry, as well as have scores of 570+ on the SAT Math (2016+ exam) or 24 or higher on the ACT Math section.

**Biology, Chemistry & Biochemistry:** applicants must complete 4 units of college-prep math, laboratory biology and chemistry, and score a 570 or higher on the SAT Math section (2016+ exam) or 24 or higher on the ACT math section.

**Engineering & Diagnostic Ultrasound:** applicants must complete 4 units of college-prep math, laboratory physics and chemistry,

and score a 570 or higher on the SAT Math section (2016+ exam) or 24 or higher on the ACT math section.

**Business:** must complete 3 units of college preparatory mathematics to be considered for admission, as well as have scores of 550+ on the SAT Math (2016+ edition) or 23 or higher on the ACT Math section.

Students who do not meet the criteria for their chosen major are encouraged to contact the Admissions Office for additional information.

### **Notable Academic Programs**

- Engineering
- Arts Leadership
- Film Studies
- Computer Science
- Sport and Exercise Science
- Business and Law (dual degree)
- Environmental Science
- Nursing
- Social Work
- Humanities for Leadership
- Marine and Conservation Biology
- Diagnostic Ultrasound

### **Student Life**

First- and second-year students are required to live on campus in one of six residence halls unless living with a parent or guardian off campus, and more than 90% of the freshmen class lives on campus.

SU offers over 100 student clubs and organizations ranging in focus from community service, cultural heritage and academic honors societies to professional development and outdoor recreation.

Each May, the Student Events and Activities Council (SEAC) sponsors Quadstock, an annual on-campus music festival with multiple stages and bands throughout the day. The event has been a campus tradition for almost 30 years.

### **Sports and Recreation**

SU's 20 intercollegiate athletic programs compete at the NCAA Division I level in the Western Athletic Conference (WAC). Students also participate in sport clubs and intramurals.

## Additional Information

---

**Academic Pathways** – Students design their own Academic Pathway (major) and, with the help of faculty and academic advisors, personalize their four-year experience. For entire list please visit [evergreen.edu/studies](http://evergreen.edu/studies)

**Collaborative Studies** – Each quarter students enroll in a single comprehensive academic program linked by a central theme, rather than a series of isolated courses.

**Learning Contracts** – Students who wish to pursue study through a particular project or research may design their own Individual Learning Contract with a faculty sponsor.

**Narrative Evaluations** – We believe learning outweighs a single letter grade. Students receive narrative evaluations of their performance and expectations are high. Challenges at Evergreen extend way beyond test taking.

### **Freshman Admission Requirements & Criteria** *Notification begins: October 1, 2017*

Students entering directly from high school and high school graduates who have accumulated fewer than 40 transferable quarter college credits by the application priority date will be considered for admission upon the following:

1. Official Transcript(s)
2. SAT or ACT scores
3. Completion of required high school CADR coursework
4. Good standing in any college work attempted

### **Transfer Admission Requirements & Criteria** *Notification begins: October 1, 2017*

Students who have accumulated transferable quarter college credits at the time of application will be considered for admission to Evergreen based on the following transfer guidelines:

1. Official transcript(s)
2. Good standing at the last institution attended
3. Satisfactory completion of a variety of courses in the liberal arts and sciences. Your course work should include classes in the arts, humanities, natural science and social sciences.

### **Transfer Admission Requirements**

Transfer applicants are given priority consideration for the following degrees awarded by Washington community colleges:

- Direct Transfer Agreement Degree (DTA)
- Assoc. in Science-Transfer Degree (AS-T)

Technical Arts Transfer Degrees (Upside Down Transfer Option or Direct Technical Transfer)

### **Running Start/College in the HS/AP/IB Credit and Evaluation:**

High school students who have earned college credit or participated in Washington's Running Start program are considered for admissions under the freshman criteria, regardless of the number of credits earned. Running Start participants who have earned an associates degree prior to the application priority date as reflected on transcripts will be considered under transfer student criteria.

**Advanced Placement (AP):** A score of 3 or higher is required to receive college credit.

**International Baccalaureate (IB):** Evergreen will award up to 45 quarter credits of IB work based on a minimum of three higher level subject marks and three subsidiary level subject marks with scores of 4 or better. Students without the final IB diploma and with scores of 4 or higher on each exams will be eligible to receive partial credit.

**Nontraditional High School:** Students must provide transcripts that indicate course content and level of achievement along with all other required components of a complete application.

### **Admission Exceptions**

Evergreen welcomes applications from GED recipients, home schooled applicants, international students and returning adults. Please contact the Office of Admissions for more information.

### **Housing**

Approximately 80% of first-year students live on campus. Housing options include single or double studios, up-to six-bedroom apartments and duplexes. [evergreen.edu/housing](http://evergreen.edu/housing)

### **Sports & Recreation**

Evergreen's NAIA varsity athletic programs include basketball, soccer, track & field and women's volleyball. The College Recreation Center also offers an outdoor program, challenge course and a full range of intramural and club sports.

## Test Optional Admission

Puget Sound allows students the option to apply without submitting standardized test scores. In lieu of test scores, students who choose to apply test optional will respond to two short essay questions in the Common Application. More information, including the test optional application questions, can be found at [www.pugetsound.edu/testoptional](http://www.pugetsound.edu/testoptional).

## **Additional Information**

---

### **Scholarships**

All applicants are considered for academic merit scholarships ranging from \$8,000 to \$22,000 per year. Talent Scholarships are available in Music, Theater, Art, and Debate. Puget Sound offers two scholarships that cover the full cost of tuition, room, and board: the Lillis Foundation Scholarship and the Matelich Scholarship. More information is available at [pugetsound.edu/scholarships](http://pugetsound.edu/scholarships).

### **Campus Updates**

Isiaah Crawford, a respected psychologist with three decades of experience in higher education, became Puget Sound's 14<sup>th</sup> President in July of 2016.

A new residence hall, Thomas Hall, opened in fall 2013 housing residential academic communities for Humanities, Outdoor and Environmental Education, International and Global Education, Honors Program, and Entrepreneurship.

A renovation and 18,000 foot expansion of Wheelock Student Center opened in fall 2014.

A new Athletics and Aquatics center is now open.

### **Fall 2015 Visit Dates**

**Discover Puget Sound:** Fall preview days will be held on October 12 and November 11. More information is available at [pugetsound.edu/discoverpugetsound](http://pugetsound.edu/discoverpugetsound).

**Music Day** for prospective Music students will be held during Discover Puget Sound on November 11. More information is available at [pugetsound.edu/musicday](http://pugetsound.edu/musicday).

### **Colleges That Change Lives**

Puget Sound was included in the 2013-14 edition of *Colleges That Change Lives*. More information is available at [www.ctcl.org](http://www.ctcl.org).

### **New Academic Programs**

Puget Sound has added several new academic programs including Bioethics, Latina/o Studies, Hispanic Studies and Environmental Policy and Decision Making

## Additional Information

---

### Transfer Admissions

Applicants who hold **less than 40 transferable** credits must meet all CADRs, submit official SAT or ACT scores, hold a 2.0 transferable college GPA, and submit all official transcripts to be considered.

Applicants who hold **more than 40 transferable** credits must hold a 2.0 transferable college GPA, and complete intermediate algebra (graded C- or better) to be considered.

**Be a Competitive Applicant:** UW Tacoma encourages all students to consider ways of making their application more competitive. These efforts may include a higher GPA, submitting a quality personal statement, and meeting priority deadlines. Transfer students should strongly consider taking an English composition class, 2 terms of a world language, and coursework applicable to their intended major. Also, be aware that many majors have prerequisites.

### Transfer Application Priority Dates

Winter 2017: October 15, 2017

Spring 2017: February 15, 2018

**Fall 2017: March 15, 2018**

### Transfer Admissions Advising

All students intending to transfer are encouraged to attend a Transfer Tuesday and/or meet with one of our admissions advisors. In person and phone appointments can be made by calling 253-692-4742. ## **Additional Information**

---

### **Assured Admission:**

U.S. high school students who are ranked in the top 10 percent of their high school class or who have a cumulative GPA of 3.50 or better (on 4.0 scale) are assured admission to Washington State University.

**Running Start/College in the HS:** Students who participate in Running Start, College in the High School, or other dual credit programs and apply to attend WSU right after high school are considered freshman in the admission process, and use the FRESHMAN application regardless of how many college credits they may have earned. They should also send official college transcripts if available.

### **Homeschooled Students:**

WSU welcomes homeschooled students. See [admission.wsu.edu/apply/as/freshmen/homeschoolers/](http://admission.wsu.edu/apply/as/freshmen/homeschoolers/) for details.

### **Transfer Admission and Deadlines:**

Applications open early; students should apply early if possible. Priority date January 31. Apply at [apply.wsu.edu](http://apply.wsu.edu).

Transfer students are those who have enrolled in a regionally accredited college or university after the summer following their high school graduation.

Transfer students who have completed a full year of transferable academic college coursework will be considered for admission based on their college work. Students who have not completed a full year of transferable academic college coursework at the time they apply may be asked for additional information for review.

Transfer applicants who have successfully completed a Direct Transfer Agreement (DTA) associate degree from a regionally accredited post-secondary institution in Washington at the time of application will be admitted as space allows.

Details at [transfer.wsu.edu](http://transfer.wsu.edu). See [transfercredit.wsu.edu](http://transfercredit.wsu.edu) for information on how credits transfer to WSU.

### **AP, Cambridge (AICE), and IB Credit:**

WSU grants credit for AP, Cambridge (AICE), and IB examinations. See [wsu.edu/advancedcredit](http://wsu.edu/advancedcredit) for details.

**International Students:** [ip.wsu.edu](http://ip.wsu.edu)

## **Additional Information**

---

### **Freshman Admission:**

Holistic review of application materials including academic credentials (grades, SAT or ACT test scores), completion of the CADR, grade trends, and other information the student may provide.

**Assured Admission:** U.S. high school students who are ranked in the top 10 percent of their high school class or who have a cumulative GPA of 3.50 or better (on 4.0 scale) are assured admission to Washington State University.

### **Running Start/College in the HS:**

Students who participate in Running Start, College in the High School, or other dual-credit programs, and apply for admission directly out of high school are considered freshmen in the admission process, and use the FRESHMAN application regardless of how many college credits they may have earned. They should also send official college transcripts if available.

### **Homeschooled Students:**

WSU Tri-Cities welcomes homeschooled students. See [tricities.wsu.edu/admission](http://tricities.wsu.edu/admission) for requirements.

### **Transfer Admission and Deadlines:**

Applications open early; students should apply early if possible. Priority date January 31. Apply at [tricities.wsu.edu/admissions/apply](http://tricities.wsu.edu/admissions/apply).

Transfer students are those who have enrolled in a regionally accredited college or university after the summer following their high school graduation.

#### **Programs for Students:**

Western Fall Welcome: Oct. 21

Western Preview (admitted students): Early April

Discovery Days: October-May on most Friday

afternoons and Mondays in July and August

Campus tours: M-F, 10:15 a.m. and 2:15 p.m.;

Sat., 11 a.m. and 2 p.m.

### **Campus Housing**

Living on campus is a choice at Western, yet over 90% of freshmen do. Freshmen who meet the housing deadlines are guaranteed housing in their first year at Western. >>[housing.wwu.edu](http://housing.wwu.edu)

### **Sports & Recreation**

NCAA Division II athletics include: basketball, cheerleading, cross country, golf, soccer, softball, track & field, and women's rowing and volleyball.

Western has 20+ club sports and intramurals, too.

>> *Last year, women's DII soccer and rowing teams won national championships.*

### **New & Notable**

In June 2017, Western became one of 24 institutions in the country selected by the Howard Hughes Medical Institute's Inclusive Excellence Program to receive a five year, \$1 million grant to enhance student success in STEM fields, especially those students typically under-represented in the natural sciences.

Western is one of the top producers of Peace Corps volunteers among medium-sized schools nationwide. For 19 years in a row, Western has ranked #1 among public, masters-granting universities in the Pacific NW, *U.S. News & World Report*.

### **Pre-Med, Pre-Law, and other pre-professional pathways:**

High expectations, academic commitment, and strong faculty support result in high acceptance rates into medical school, law school, and other selective graduate programs.

### **Honors Program:**

Western's selective Honors Program offers small and interactive classes, a close-knit intellectual learning community, and early access to faculty research teams and other scholarly pursuits. >>[wwu.edu/honors](http://wwu.edu/honors)

### **Fairhaven College:**

Western's interdisciplinary liberal arts college provides creative opportunities for students to design their majors in innovative ways.

### **Global Education:**

Students participate in a variety of international experiences, including study abroad, student teaching, internships, volunteer work, service learning and faculty-led study tours.

**Other Whitworth Scholarships:** Act Six, Alumni, Art, Diversity, Ethics Bowl, Forensics, Journalism, Music, Theatre, Whitworth Bound, Young Life

## **Additional Information**

---

### **Mission**

Since 1890, Whitworth has held true to its founding mission to provide "an education of mind and heart" through rigorous intellectual inquiry guided by dedicated Christian scholars.

### **Academic Distinction**

- Whitworth has consistently been ranked among the **top 15** regional universities.
- 11-to-1 student-faculty ratio
- The Robinson Science Center provides state of the art laboratory space and technology for faculty-student research, including cadaver and live animal labs.
- **95%** of Class of 2016 were employed or in graduate school within nine months of graduation.
- 4-1-4 academic calendar allows for our faculty to lead dozens of semester-long and Jan-term study-abroad programs around the world. Over 40% of our 2016 graduates studied abroad while at Whitworth.
- 100% of students who complete our pre-med program are admitted to at least one medical school.

### **Student Life**

- Nearly 100% of Whitworth students engage in service learning before they graduate.
- 50+ student clubs organized and led by students
- 95% of students living on campus reported being satisfied with their overall campus housing experience.
- Whitworth's award-winning music and theatre programs perform regularly on campus and tour around the world.
- The Forensics (speech and debate) and Ethics Bowl teams have won national championships in the last few years.
- University Rec offered 65 outdoor trips in 2016-17 – rock climbing, backpacking, mountain biking, skiing, rafting, snowshoeing and more.

### **Championship Athletics**

Whitworth's student athletes put academics first *and* win on the field. Competing in 21 varsity sports in the NCAA Division III, Whitworth has won the trophy for the best overall athletes program in the Northwest Conference for ten years in a row. Women's Lacrosse will begin competing in Spring 2018.

### **Best Value**

- 99% of incoming freshman receiving aid
- 85% of our graduates finish in four years
- 4 Year Graduation Guarantee Program
- **Whitworth Bound Scholarship:** Admitted College Bound eligible freshmen (3.5 weighted, cumulative HS GPA), will have 100% of Whitworth tuition covered
- **Honors Colloquium:** Admitted students with a 3.75 GPA, 1320 (SAT) or 28 (ACT) have the opportunity to compete for a full tuition scholarship in the spring

### **Campus Updates**

- Cowles Music Center, which opened in Fall 2016 hosts teaching studio, practice rooms, and two large rehearsal rooms for choirs and instrumental ensembles/bands.
- B.S. in Engineering: New major offering providing students with a broad engineering education, spanning mechanical and electrical topics. 3-2 Engineering still offered.
- Western WA Representative: Ruth Schauble, Associate Director of Admissions
- Now offering Publishing and Editing Minor and an Accelerated 4+1 Athletic Training Master's Program
